I met my younger self for coffee this morning.

We were both very nervous about the meeting process.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and move out to her own house but for her house. She has said no longer have to live under those strict religious rules and no longer have her parents or her sister's interference of it.

We asked if we are okay?
Told her most days yes. We are living a life we never could have imagined but the joys of living our family hurts a lot some days.

We asked her if we called the guy from the concert?
Told her YES! And how this guy means 20 years with her. He's better than we ever could've imagined. I show her pictures of our beautiful life now and our two beautiful children.

We were feeling excited, nervous and a little sad about her future.

We were feeling grateful for all we've been through and for living now and that we're.

Hope we meet again soon.
