

What we check when we review your channel

Our reviewers check content that best represents your channel against our policies. Since our reviewers can't check every video, they may focus on your channel's:

- Main theme
- Most viewed videos
- Newest videos
- Biggest proportion of watch time
- Video metadata (including titles, thumbnails, and descriptions)

The above are just examples of content our reviewers may assess. Note that our reviewers can, and may check other parts of your channel to see whether it fully meets our policies.
