Emotional Intelligence Workbook Paul Gerhardt, PhD.,2015-02-21 Emotional intelligence EI is the single most important thing every person must develop in order to have successful careers and home life Contemporary research has been proven that Emotional Intelligence is directly related to each person s career success by as much as 95%% This workbook teaches readers what emotional intelligence is Use each easy step by step section to build your Emotional Intelligence Visit www.paulgerhardt.com to learn more

Emotional Intelligence Workbook Ronél Le Roux,Rina De Klerk,2001 *Emotional Intelligence Workbook: For Elementary and Middle Grade Children* Better Youth Programs,2019-03-02 Emotional Intelligence is a vital skill for children often overlooked Not only is it overlooked but there is seldom good workbooks available aimed directly at children This activity book is a treasure trove of wonderful exercises that get kids thinking about their own emotions create self esteem empower good behaviours and habits and develop consideration for others Don t neglect to teach your kids a solid emotional intelligence to help them become strong to weather the storm coming up in teenage years This section of the Youth Deployment Activity Guide is designed to give you additional age appropriate resources that are helpful in teaching your child about emotions The emotional and social skills that are presented were written in order to help you grow your child The

sections include Intrapersonal Skills Interpersonal Skills Adaptability Stress Management and General Mood Each section is further divided into sub skills that address such things as Problem Solving Happiness Flexibility and other critical emotional and social competencies We encourage you to use these activities throughout the deployment process and beyond Sample Exercises from Emotional Intelligence Activities for Kids My Special Gifts and Talents Everyone has something they do well It may be in a sport or playing a musical instrument or even a particular subject like math A person can even be good at making friends Whatever a person does well can be a gift or talent See if you can recognize your own gifts and talents Piecing a Quilt Many emotions make up the person you are It is important to be able to identify those emotions and know how to deal with them Your emotions are like a patchwork quilt Each of your emotions is pieced together to make up the whole you Inside the patches on the quilt below draw a face showing different emotions you have felt Make No Bones About It Do your friends sometimes do or say things that make you feel uncomfortable Maybe they say unkind things to other classmates Or maybe they take the seat you were saving for someone and won't move when you ask them Do you feel like you should speak up about it but are afraid Here are some steps to take to help you speak up A Skeleton of My Former Self Independence is when you are able to take care of yourself You are able to plan and make important decisions for yourself and you can make those decisions without falling apart or depending on others to bail you out emotionally You are courteous honest and respectful of yourself and others You are willing to take responsibility for your feelings thoughts and actions You rely on others for help when necessary but do not cling to other people Emotional Intelligence Rina De Klerk, Ronél Le Roux, 2009-11-26

Emotional Intelligence Workbook Joeel A. Rivera, Natalie Rivera, Joeel A. Rivera M Ed, 2020-11-10 This workbook provides a blueprint for developing emotional intelligence both INTRApersonal intelligence understanding of your own emotions and INTERpersonal intelligence understanding of others emotions You'll develop an understanding of the cause of your emotions so you can shift your emotional state and feel better no matter what is happening in your life You'll learn how to catch negative emotions early and avoid triggers in order to prevent escalation You'll learn strategies for reducing and releasing stress so you can better cope with life events You'll develop healthy empathy so that you can better understand others without being sucked into their emotions You'll learn how to listen and communicate effectively and tune into non verbal communication and body language Large 8 5 x 11 inch format for ease of use This workbook is intended to be used with the Mindfulness and Meditation coaching program offered through TransformationAcademy.com **Emotional Intelligence Toolkit** Jim Grant, Susan David, 2015-04-01 A practical guide book to enhance emotional intelligence skills This book provides the opportunity for you to reflect on how why when and where your emotions interact with and contribute to or sabotage your thinking and behavior in all areas of your life With increased understanding and the practical tools provided throughout this book you will be able to effectively target the areas you want to improve further develop your areas of strength and help you achieve outcomes that are of value to you The book guides you through each of the MSCEIT's four branches and eight

tasks gives further information about them and discusses the real life implications and possibilities for improvement in these areas. It offers tips for greater effectiveness and development exercises to help you integrate and personalize the information for your circumstances.

Emotional Intelligence Daniel Goleman, 2005-09-27 Goleman's report from the frontiers of psychology and neuroscience offers startling new insight into the two minds: the rational and the emotional and how they together shape destiny.

Working with Emotional Intelligence Daniel Goleman, 2000-01-04 Do you have what it takes to succeed in your career? The secret of success is not what they taught you in school. What matters most is not IQ, not a business school degree, not even technical know-how or years of expertise. The single most important factor in job performance and advancement is emotional intelligence. Emotional intelligence is actually a set of skills that anyone can acquire and in this practical guide, Daniel Goleman identifies them, explains their importance, and shows how they can be fostered. For leaders, emotional intelligence is almost 90 percent of what sets stars apart from the mediocre. As Goleman documents, it's the essential ingredient for reaching and staying at the top in any field, even in high-tech careers. And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future. Comprehensively researched, crisply written, and packed with fascinating case histories of triumphs, disasters, and dramatic turnarounds, *Working with Emotional Intelligence* may be the most important business book you'll ever read. Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations, Goleman documents an astonishing fact: in determining star performance in every field, emotional intelligence matters twice as much as IQ or technical expertise. Readers also discover how emotional competence can be learned. Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world. He also provides guidelines for training in the emotionally intelligent organization in chapters that no one, from manager to CEO, should miss. *Working with Emotional Intelligence* could prove to be the most important reference for bottom-line businesspeople in the first decades of the 21st century.
