Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre It is time to question the cultural capital of traditional archetypes explore the experience of romance readers and question how romance and cultural studies researchers create quantitative qualitative and mixed methods research This

work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance. Truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

Claire Skimps It Daniel Wipsbury, 2024-03-20 1 TOP TIER GIRL EXPERIENCE A Swooning Bookish Girlfriends Read You're hauled into this series and the enchanting Princess of Kettershire must dive headfirst into a whirlwind of self-discovery, blending soul-searching drama with heart-fluttering romance. By day, the brainy scribe in Claire Scottish would have her crafting Hollywood tales in the glitzy hills of L.A. But when the sun sets, her adventures with journalist confidante Brenna Branson lead her to unexpected encounters, notably with the captivating Julian Little. Did she know her life would take a thrilling turn involving the Camilla School of Arts and Social Sciences, a covert agency named S.S. and the irresistibly charming Jack? Navigating through a sea of Hollywood hotties and secret agent intrigue, she finds herself entangled in a web of emotions. Will she let the allure of the California scene distract her, or will her seemingly emotionless facade crumble in the face of unexpected love? Unveil the layers of her stylish journey filled with longing looks, sweet talk, and a touch of royalty.

Once Upon a Curse for True Love Camilla Isley, 2025-10-07 Who knew the real curse would be falling in love? In the small town of Salem, Massachusetts, fall means three things: pumpkin spice lattes, tourists in witch hats, and more magical crimes than local ghost tours. For hacker witch Andromeda Swan, life is supposed to be simple: keep her magic off the radar, dodge trouble, and leave the mug shots to reality TV. Easy, until a digital prank spirals into a supernatural murder investigation complete with cursed emails, unfair magical bureaucracy, and one aggravatingly gorgeous detective who'd rather see her in handcuffs than the not-fun kind. Detective Donatello Malatesta has no time for reckless witches, even if Andromeda's snark is almost as distracting as her smile. But when the case forces them into an uneasy alliance filled with late-night stakeouts, cursed evidence, and magical mayhem, their chemistry is suddenly more than just criminally good banter. With

the fate of Salem on the line Andromeda and Donatello must crack the case outsmart the evil lurking in the dark and survive each other long enough to figure out if what's brewing between them is more than a side effect of their forced proximity Because love may be the most powerful magic of all and the hardest curse to break *Magical Meet Cute* Jean Meltzer, 2024-08-27 A laugh out loud funny romance with depth and heart readers will love this spellbinding novel Debbie Macomber 1 New York Times bestselling author Is he the real deal or did she truly summon a golem Faye Kaplan used to be engaged She also used to have a successful legal practice But she much prefers her new life as a potter in Woodstock New York The only thing missing is the perfect guy Not that she needs one She's definitely happy alone That is until she finds her town papered with anti-Semitic flyers after yet another failed singles event at the synagogue Desperate for comfort Faye drunkenly turns to the only thing guaranteed to soothe her pottery A golem protector is just what her town needs and adding all the little details to make him her ideal man can't hurt right When a seriously hot stranger mysteriously turns up the next day Greg seems too good to be true if you ignore the fact that Faye hit him with her bike And that he subsequently lost his memory But otherwise the man checks Every Single Box Causing Faye to wonder if Greg's sudden and spicy appearance might be anything but a coincidence **What Readers Do** Beth Driscoll, 2024-03-21 An exploration of the 21st century everyday Anglophone reader and their private and social behaviors in a digital world this book examines how readers engage with each other and the consumer publishing industry The Love Scribe Amy Meyerson, 2023-02-07 From the bestselling author of *The Bookshop of Yesterdays* comes a charming novel about a woman with a special gift her stories help people fall in love When Alice's best friend Gabby is reeling from a breakup Alice writes her a heartfelt story to cheer her up While reading it in a caf Gabby as if by magic meets the man of her dreams Thinking the story might have some special power to it Gabby shares it with her sister and other friends who all find instant love Word of mouth spreads and Alice stumbles upon a new calling to be a love scribe But not all the love stories she writes unfold as expected And while Alice tries to harness her extraordinary gift she is summoned to a mansion in the woods where she encounters the reclusive Madeline Alger and her mysterious library As Alice struggles to write a story for Madeline her most challenging assignment yet she's forced to confront her own guarded heart Because maybe just maybe there's a love story waiting to be written for her too Emotional deeply imaginative and brimming with valuable life lessons *The Love Scribe* explores love fate and the power of stories when we choose to believe in them A Match Made in Coven Camilla Isley, 2025-09-23 He's a prime suspect She's supposed to arrest him not fall for him But what if he's the only one she can trust Rival covens a forbidden romance and supernatural suspense come to a head in this spookily fun enemies to lovers romcom When magical enforcer Sarah Michelle Callidora gets a call about a gruesome murder in Salem just before Halloween she's ready for a long night of witchy detective work What she's not prepared for is her principal suspect the infuriatingly charming and inconveniently attractive Lorcan Black heir to a rival coven and a wizard with a past as dark as his family's reputation Lorcan has two problems First his business partner's
