Santosa, 2025-07-23 The AI Assisted Novel Writing Guide: From Idea to Finished Manuscript is a practical handbook that guides writers from a spark of inspiration to a complete manuscript. It begins with essential foundations such as discovering your genre, developing an idea into a strong premise, creating deep multidimensional characters, and building a believable story world. Once the foundations are set, the guide moves into the narrative blueprint, explaining techniques for choosing the right point of view (POV) and structuring an effective storyline. The final stage focuses on execution and refinement, from drafting the first version to distinguishing between revision and editing to producing a solid, ready-to-read work. **289**
