Reddit Book Discussions Viral Hit:

The Propagation of Misinformation in Social Media Richard Rogers, 2025-10-01 There is growing awareness about how social media circulate extreme viewpoints and turn up the temperature of public debate Posts that exhibit agitation garner disproportionate engagement Within this clamour fringe sources and viewpoints are mainstreaming and mainstream media are marginalized This book takes up the mainstreaming of the fringe and the marginalization of the mainstream In a cross platform analysis of Google Web Search Facebook YouTube Reddit Twitter Instagram 4chan and TikTok the authors found that hyperpartisan web operators alternative influencers and ambivalent commentators are in ascendancy The book can be read as a form of platform criticism It puts on display the current state of information online noting how social media platforms have taken on the mantle of accidental authorities privileging their own on platform performers and at the same time adjudicating between claims of what is considered acceptable discourse **Get Your Book Selling on Your Website**

Monica Leonelle, 2024-03-14 Written for an author by an author this is an unofficial definitive guide to increasing your book sales on your website It covers The advantages of selling direct through your website The five best offers you can make to your readers including bundling exclusivity and more Seller accounts dropshipping fulfillment and more The pains involved setup tech taxes shipping transactional emails etc and whether they are worth it or not for your business How to get your readers to buy direct from you How to use landing pages with cross sells upsells and post purchases Ways to find new readers for your books How to get customers to become repeat customers What else you should be selling if you are selling direct *Start a Revolution: Stop Acting Like a Library* Ben Bizzle, Maria Flora, 2014-12-19 But this is how we've always done it Objections to taking a fresh tack are about as common as budget shortfalls and the two are more closely related than you might think At the Craighead County Jonesboro Public Library in Arkansas Bizzle and his colleagues defied common practices by using creative risk taking in marketing and outreach to transform their library into a dynamic institution that continues to grow and thrive Here they recount their story sharing techniques for success alongside a provocative marketing philosophy that will spur libraries to move beyond their comfort zone Focusing on creative ways to pull patrons in rather than just push the library out this book Steers libraries towards defining their brand explaining why it is crucial to meeting the needs of their users and potential users Offers strategies for getting stakeholders on board and engaged including how to address budgeting concerns Demonstrates the importance of the library's website as the digital main branch of the library with guidance for creating and promoting it Details the systematic marketing campaign undertaken at the Craighead County Jonesboro Public Library encompassing both traditional and new media channels such as billboards posters newspapers TV and radio and mobile technology Takes the mystery out of how to use social media platforms as public awareness tools complete with detailed strategies and step by step instructions Shows how to pull it all together into a manageable campaign through strong leadership and teamwork By the time readers have finished this book they'll have a roadmap for revolution at

their own institution Personal But Not Private Stefanie Duguay, 2022 Privacy has become a pressing concern for many users of digital platforms who fear legal or social liability for sharing personal details online Yet for queer women and others an emphasis on privacy fails to reflect the creativity and struggles of everyday people seeking to represent themselves and form meaningful connections through social media Personal but Not Private explores how queer women share and maintain their identities through digital technologies despite overlapping technological social economic and political concerns Focusing on representations of sexual identity through Tinder Instagram and Vine this volume uncovers how queer women are continuously engaging in identity modulation or the process through which people and platforms adjust or modify personal information to form relationships increase their social and economic participation and counter intersecting forms of oppression While queer women s representations of sexual identity give rise to publics and counterpublics through intimate and collective self representation platform specific elements like design and governance place limitations on queer women s agency and often make them targets of censorship harassment and discrimination This book also considers how identity modulation can be applied to a range of people negotiating digital contexts and promotes tangible changes to digital platforms and their broader social economic and political structures to empower individuals and their personal sharing on social media Bringing together personal interviews and empirical research Personal but Not Private offers a new lens for examining digitally mediated identities and highlights how platforms act as complicated sites of transformation **DEEP STATE AGENDA** Justin Malonson, 2020-12-09 Deep State Agenda provides a devastating expos of the Deep State and their plan to enslave humanity When you finish reading this book the pieces of the puzzle will fall into place and you will see the bitter truth of a pre planned false flags This book will exhibit how we the people got to this point as well as the origin of the battle of two forces Satan and the almighty creator of all things Our Lord Jesus The most important thing the devil ever did was convince the world that he did not exist In this book like few have done before me I will expose the deception false flags and different methods of trickery used to deceive the human population You know I m not rocket scientist or anything but maybe the real conspiracy theorists are those who continue to believe year after year that government cares about him that mainstream media would never lie to or mislead them and that the pharmaceutical industry that makes billions upon billions of dollars from people being sick actually wants to see people cured maybe Those are the real conspiracy theorists Becoming aware of your surroundings is half the battle We are in a high stakes war unlike anything ever seen in human history Deep State criminals and 1% globalists who not only want to destroy the USA but they also intend to depopulate the planet by more than 2 3 Censorship and oppression of free speech is now commonplace This book exposes the scientifically engineered lies of the globalists and their final goal of enslaving humanity America has been for many decades the biggest playground for the different factions of the Deep State in control of the different monopolized industries including Main Stream Media Networks T V Radio Movies Music Websites News government agencies of both Democrat and Republican parties Hospitals
