Spotlight Witchcraft Academy:

Black Sun Academy Witch Hunter Book 1 R.J. Rogers, 2025-12-31 Ah the Black Sun Academy What can I say I have spent the last three and a half years of my life schooling and training here To the outside world our school looks like any other typical University Red brick structure with white trim where appropriate A college like campus setting with dorms for students and housing for faculty Within these walls though lies a secret This is not your typical high school Oh no this is a school that only produces the best of the best the elite in the witch hunter s community Yes you have read that correctly Witch hunters My lineage can be traced back to my great great whatever grandfather who was the famous Mathew Hopkins Witch Finder General Born during the 1620 s in Great Wenham Suffolk England my grandfather hunted close to 200 witches over the course of three years before laws and restrictions throughout the country began to change He slowly faded from the lime light but only within the public eye Amongst our community he was and still is praised for all he accomplished with his stint in history So of course my family including me Alina Hopkins rank near the top of the social ladder and very high standards have been set for me to achieve within our community No pressure right Luckily I have always excelled in all activities I have taken on When graduation rolls around in 8 months I will also be the highest ranked female witch hunter trainee to have walked through the doors of the Academy Making my family proud Life couldn t be more perfect I have the most awesome best friend Ella I will be turning 18 soon graduation just around the corner and parents who love me What could possibly go wrong other than EVERYTHING *Shadowhall Academy: Ghost Story Society* Phil Hickes, 2025-02-13 Welcome back to Shadowhall Academy where ghost stories come true A brilliantly spooky series from the author of Aveline Jones **The School for Wicked Witches (eBook)** Will Taylor, 2024-09-12 Ava isn t ready to leave her home in Oz especially not to become a witch Then the worst thing that could possibly happen occurs Ava s magic goes very wrong and she is banished to a school for wicked witches **The School for Wicked Witches** Will Taylor, 2024-09-17 Ava isn t ready to leave her home in Oz especially not to become a witch Then the worst thing that could possibly happen occurs Ava s magic does very wrong and she is banished to a school for wicked witches Perfect for fans of WICKED WITCHLINGS and THE SCHOOL FOR GOOD AND EVIL In Oz most girls and boys with magical powers are sent from the north south east and west to renowned witch academies where they are elevated and taught all the finer ways to be a responsible witch But if you misbehave Or are thought to harbor darker magic You re sent to the equivalent of witch reform school The School for Wicked Witches ONLY Once you get there you find that the witches running it are so powerful that they ve managed to trick the rest of the outside world Yes it looks to outside like they are taming the wickedness out of the witches but in truth the school is run by wicked witches who incidentally don t see themselves as wicked at all although some of them really are Ava Heartstraw has never even considered being wicked But when she goes to take her entrance test for a witch academy she doesn t get the reaction she s expecting and is the first kid in memory from the west to be sent to the School for Wicked

Witches *Gretchen's (Mis)Adventures Boxed Set 10-12 P.A.* Mason, The last three instalments in this hilarious high fantasy witch series all wrapped up in a neat bundle The Head of the Horseman Getting waylaid in the forest by a headless horseman wasn't what Gretchen was expecting in the dead of night and she's on a mission to get her hat back from this ghostly thief And evict her new houseguest while she's at it Nora has given up her position with the baron and has grandiose plans of taking up a seat on the Witches Council Gretchen doesn't have the heart to tell her it's a long shot but can't put up with her crowding up the cottage indefinitely The Kingmaker's Sword Gretchen always knew her trusty infinity pouch held a world full of secrets but she didn't imagine she was carrying around a relic that could bring down a kingdom Or that it would land her into a boiling pot where she ends up a fugitive from the witches and wizards alike But standing accused of a shocking crime she didn't commit this witch refuses to give in Queen Mab's Castle The glimmer of a portal in the sky is too much to resist when Gretchen finds herself feeling old and frumpy And on the other side it's all booze and parties Then she finds someone who looks a lot like Aunt Esme and all thoughts of a bender are pushed aside Fleeing into the fairy forest Gretchen learns she's stumbled into Queen Mab's realm and is now the fox fleeing the hounds For lighthearted fun with fickle moments of tragedy and feel good moments join Gretchen on her travels in this final boxed set You can't help but cheer for this purveyor of potions unlikely champion of the downtrodden and all round good samaritan of the magical world This story reminded me irresistibly of Terry Pratchett's Discworld Witch books Two Books Blog **A Rebel Witch** Ashley McLeo, 2020-02-18 The evil queen of demons is after me But as long as she remains in Hell I'm safe I hope Now that I'm participating in the Spy Games a dangerous competition between magical spy academies I've increased the risk of the queen's minions finding and dragging me to the depths of the underworld In fact with each passing Spy Game event it becomes more obvious exactly why the queen wants me Most of the time my studies relationships and the tournament keep the looming threat of abduction out of my mind But when someone I love is taken by the demons I must act And face the powerful queen of Hell head on **A Rebel Witch** is a fantasy academy book that features a tournament of supernatural spies heartwarming friendships enduring love and magic fueled action **Witch Hunt** John W. Hawking, 2015-12-09 Fourteen year old Elizabeth Wiley is about to begin her studies at Bale's Christian Academy the most prestigious Christian school in the country It is an event that has brought excitement to her and her entire family Her excitement is overshadowed by anxiety and fear however because Elizabeth has a secret and it's one that could bring dire consequences for her if the faculty should discover it Soon after her arrival Elizabeth is befriended by Sakira Jones a Senior and the most popular girl at school With her new best friend Elizabeth's own popularity soars and everything starts working out for her Her joy and success is short lived however For soon Elizabeth finds herself caught in the middle of a spiritual war with a malevolent presence that has blanketed the campus of Bale's Christian Academy an unspeakable evil that only the sacrifice of human blood of Elizabeth's blood may be able to satisfy **Blood Witch Curse** Thomas K. Carpenter, 2025-02-11 A deadly ghost is attacking patients and threatening to bring the

overworked hospital to its knees The protective enchantments in the old Curse Ward are breaking down leading to unusual events and supernatural sightings across the hospital Lilith de Meath's problems only get worse as her eldest sister and a royal pain in the ass arrives to supervise her attempts to fix their patron Medb Between the ghost and her overbearing sister Lily finds her life in the City of Sorcery at a dangerous crossroads If she can't figure out why the wards are breaking down or a cure for her family's sickness then being forced to return to Ireland won't be the worst thing that happens

The Head of the Horseman P.A. Mason, Getting waylaid in the forest by a headless horseman wasn't what Gretchen was expecting in the dead of night and she's on a mission to get her hat back from this ghostly thief And evict her new houseguest while she's at it Nora has given up her position with the baron and has grandiose plans of taking up a seat on the Witches Council Gretchen doesn't have the heart to tell her it's a long shot but can't put up with her crowding up the cottage indefinitely Damned souls and secrets kept by the Witches Council twine together and hats aside the horseman must be dealt with All Gretchen knows is her pal needs some renewed purpose and her damn hat back Curses coverups and politics make for dark machinations And what is a witch without her hat anyhow

Arda Academy: Complete Trilogy Molly Lavenza, Destruction In a family of healers who save all I do is destroy My enforced solitude is for my own safety as well as that of the world or so my mother tells me When the boy next door beckons I can't help but sneak out to forge a friendship with him Loneliness leads me to defy my family but desperation prevails when I discover that the grounds of his private academy hold a secret that could help me learn why my ability is so disastrous or push me to create a catastrophe that will bring about my family's deaths Merith Leigh has decided to give herself the best 16th birthday present ever Freedom She's spent the last two years in silent communication with Taran the boy next door and his encouragement to meet him beyond their bedroom window views has tempted her to finally break free of her family's bonds With a leap of faith she trusts Taran with her dark secret and he takes her to meet his friends at his private academy where a secret society that studies magic lurks with secrets of their own Can Taran and his classmates help her discover why she carries the gift of destruction rather than her family's skill at healing or will their association prove deadly this edition includes all three books in the Arda Academy trilogy
