**Reason, Ego & the Right-Minded Teamwork Myth** Dan Hogan,2021-07-21 Right Minded Teamwork RMT is an intelligent and empowering teamwork system that guides teams to overcome interpersonal challenges improve processes and work together seamlessly to achieve business goals With RMT your team can compassionately address interpersonal conflict regain focus and produce astounding results What Is This Book About Written for team leaders and team facilitators ready to create positive lasting change in their teams this book teaches two significant Right Minded Teamwork RMT concepts First you will read the Right Minded Teamwork Myth a short parable illustrating RMT s underlying teamwork philosophy followed by the RMT Process a step by step approach for implementing RMT in your team Reason or Ego The Right Minded Teamwork Myth is a short simple story that illustrates what right minded thinking and behaving look and feel like Following three characters Reason Ego and the Decision Maker found in each of us the Myth illustrates the aspirational thought system behind RMT It advocates for teammates to turn away from Ego s disastrous advice to seek separateness and selfishness and instead follow Reason s path to oneness and shared interest The RMT Process is a practical deliberate and reliable approach for implementing Right Minded Teamwork in any team It includes a set of seven interconnected team building methods As the first in RMT s eight book series this book will teach you how these seven RMT methods form a self perpetuating continuous improvement system with the power to transform even the most challenged team The Problem with Team Building Most team building programs have a problem They do not address or resolve a team s real issues There are many common team building practices like education games and social events but as far as real team building goes none of these approaches is effective Not one of them produces proven reliable results Still many well meaning

team leaders continue to use these ineffective tactics Usually this is because they do not realize there is a better way a real world approach to team building Do No Harm Work As One Right Minded Teamwork is a real world team building process that actually works It is an intelligent empowering system suitable for teams of all sizes and dynamics It is the most reliable way to achieve and sustain high performance teamwork because it directly addresses real issues in a non confrontational compassionate way Apply RMT and improve work processes while strengthening teammate relationships Apply RMT and help your team achieve 100% customer satisfaction Apply RMT and make the world a better place A Note from Dan Hogan Creator of RMT As I write this RMT is to my knowledge the only model of its kind However I pray it is not unique I hope one day real world methodologies like RMT become the prevailing team building approach around the world I m optimistic this future is on its way because I know I m not alone in wishing for it Though I m now retired from active facilitation for decades I served teams around the globe as a Certified Master Facilitator and I repeatedly heard my clients express the same desire I had That this kind of approach to team building would become commonplace for the betterment of everyone They were changed by our work together and what they learned and many of them went on to share RMT s concepts and principles with others Through them the ripple effect began Through you it can continue Together with the help of RMT we will build teams that do no harm get work done and work as one Dan Hogan CMF *Common Valor* Frank Viscuso,2018-04-13 In *Common Valor* Frank Viscuso describes the firefighting world as only a firefighter can Viscuso captures the human emotion and drama from firefighters who have endured a wide range of firefighting and rescue scenarios He goes way beyond the stories that the public may hear about With *Common Valor* you live it From these dramatic descriptions you feel yourself right there up close with the rescuers From seeing fellow firefighters die to being caught in a flashover and living to tell about it *Common Valor* captures the true spirit and camaraderie of firefighters Harvey Eisner If you are a firefighter or hope to be one someday you need to read *Common Valor* This book captures the true spirit of firefighting and all the emotions that accompany what has been called both the greatest and most stressful job on earth **Popular Culture in Counseling,**

**Psychotherapy, and Play-Based Interventions** Lawrence C. Rubin,2008-05-12 With a Foreword by Danny Fingeroth former Group Editor of Marvel s Spider Man comics line Popular culture simply stated is the language of a people expressed through everything from its clothing food choices and religious practices to its media The popular and predominant values interests and needs of a society find their way into mass consciousness through a variety of venues including literature cinema television video games sport and music Through the inter related forces of mass production global marketing and the Internet the fruits of popular culture penetrate into stores living rooms and everyday experience of children teens and adults in the form of catchphrases toys iconography celebrities and indelible images Psychotherapists and counselors who can tap into the powerful images messages and icons of popular culture have at their disposal an unlimited universe of resources for growth change and healing Using real world case examples and sound psychological theory this book demonstrates how you
