Steppin Into The Good Life:

Steppin' into the Good Life Tia McCollors, 2011-02-01 Shelia Rushmore thought she'd be the last woman standing when it was time to fight for her man. Instead, Ace, her boyfriend of two years, chose to reunite with his ex-wife, leaving Shelia emotionally devastated. It's a year later when Sheila is convinced that sneaking into their wedding ceremony will put closure on the gaping hole in her heart. But it's on the back pew of the church where a new relationship begins for Shelia. She can't explain the touch she received from God on that day, but she's determined to be a better woman, a woman of faith. Since high school, Shelia has been chasing her definition of the good life; it's left her with no home, no man, and no money. But now that she's living life for God, things should get better, right? Shelia learns that living a faith-filled life isn't always easy. With faith, tough love, and some tough decisions, Shelia realizes that the life she'd been praying for, she could have for herself. It's actually attainable. Being wrapped in God's arms, she decided, was by far the safest place she'd ever been. What Kind of Fool

Rhonda McKnight, 2012-02-01 Angelina Preston tunes out the voice of God when she decides to divorce her husband, Greg. She's forgiven him for his affair, but she won't forget, even though her heart is telling her to. Shortly after she files divorce papers, she finds out her non-profit organization is being investigated by the IRS for money laundering. In the midst of the very public scandal, Angelina becomes ill. Through financial and physical trials, she learns that faith and forgiveness may really be the cure for all that ails her, but can she forgive the people who hurt her most? Sexy, successful Dr. Gregory Preston didn't appreciate his wife when he had her. His affair with a devious man stealer has him put out of his home and put off with women who continue to throw themselves at him. Greg wants his wife back, but he'll have to do some fancy operating to get her. When the secrets and lies from his past continue to mess up his future, Greg finds himself looking to the God he abandoned long ago for a miracle. Only faith can provide. Samaria Jacobs finally has the one thing she's always wanted: a man with money. The fact that she's in love with him is a bonus, but even so, life is anything but blissful. She's paying for her past sins in ways she never imagined and living in fear that the secret she's keeping will separate them forever. *Living in the*

Pink Sharon Tubbs, 2011-04-01 *Living in the Pink* is a series of humorous and insightful short stories with Christian underpinnings. Through the eyes of the wise Sister Pinky and Believers Ministries International Church, these stories highlight issues that women grapple with but often remain unspoken in religious circles. The characters are everyday wives, mothers, and singles. They develop and gain a spiritual perspective in dealing with romantic relationships, wayward children, jealousy, church traditions, Christian hypocrisy, and self-righteous judgment, among other themes. Discussion questions help readers connect with the storylines and urge them to look within and up to reach their highest potential in life. **Estella's**

Ass Colt Travannion, 2022-10-19 The information about the book is not available as of this time. Eros, Pleasure,

Friendship, and The Good Life James J. Winchester, 2025-07-03 The book invites its readers to explore the role erotic love, pleasure, and friendship play in crafting a good life. These topics are enduring themes that capture the heart of human

existence and have been the focus of many works of philosophy and literature. However, there remains scope for further examination. This book offers a compelling case to expand the exploration beyond the preponderance of white male canonical figures that have dominated the field in order to include an array of scholars that more accurately capture the diversity of humanity. It does so by drawing on Greek, Asian, African, Continental, and Feminist thinkers and exploring a myriad of literary works to illustrate and interrogate the theories.

Crossing the Line Jeanne St. James, 2024-07-12. When the wrong man turns out to be the right one, Nash, a longtime Dirty Angels MC member and lead singer of Dirty Deeds, has a secret. For years, he's hidden his bisexuality from his brothers. Fellow bikers worried how they'd take the news. But Nash isn't the only one keeping secrets from his brotherhood. So is Cross, a police officer and member of the Blue Avengers MC. As opposite as they come, when Cross spots Nash across the bar, he can't resist the unexpected attraction. Then lines are crossed, boundaries blurred. And they need to survive in two different worlds where men who like other men aren't usually accepted and where bikers and cops don't mix. Reality and fantasy are two different things. The fantasy being Cross and Nash can be together that they can make it work. The reality being their situation is impossible. Cross will never give up being a cop. Nash will never give up being a biker. What either of them would have to walk away from is more than anyone should ask for. In the end, fighting reality could be a losing battle in a war they might never win. Note: A standalone. **Crossing the Line** is a crossover gay romance involving a member of the Dirty Angels MC and one from the Blue Avengers MC. It includes forbidden love, enemies to lovers, cop vs biker, alpha vs alpha. As with all my books, it has no cliffhanger and an HEA.
