Stepping Closer To The Savior:

Stepping Closer to the Savior Melanie M. Redd, 2010-06 Draw near to God and He will draw near to you James 4:8 The greatest challenge most of us have is connecting with our spirituality and deepening our relationship with God. We feel the need to know Him, but then the waves and roar and crash of life pull us into pitching tides, and before we know it, the time we set aside is gone. But deep beneath the surface, beneath the frenetic pace and pull, is a place of quiet peace. Author Melanie Redd invites us to take eight simple steps toward that place where heart, mind, and soul can meet with our Creator. Using exercises and clearly outlined instructions, she shows how we can draw closer to Jesus, one step at a time, one day at a time. Each chapter is seasoned with inspiration and personal experiences and is organized to address the why and how of timeless issues such as: Why step closer to Jesus? Why read and study the Bible? Help! I'm tired. Why pray? Can I really hear God speak to me? Whether you've been walking with the Lord for years or have just begun to get interested in Jesus, whether you're interested in deepening your own relationship with God or finding ways to share your faith with others, Redd's carefully laid out action plan encourages you to begin your walk today, here and now. The essence of *Stepping Closer to the Savior* is simple: step towards Jesus, and He will step towards you.

Fluorescence: Contagious P. Anastasia, 2020-01-29 Book II in the riveting paranormal romance tetralogy *Fluorescence* is engaging and unabashed, a coming-of-age urban fantasy unlike any other. The fire has been started, and things have changed for the Fluorescent Ones. Brian is fighting to keep the seams of a once stable life from unraveling as a massive turn of events thrusts him into chaos. The Savivors had a terrible secret in store, and now he and the rest of the group must make decisions that will impact their future forever. In a unique genre all its own, *Fluorescence* is a striking blend of audacious young love and urban sci-fi. Each full-length novel in the series is narrated by a different character driving the story forward in a new and exciting way. It evolves from a quiet beginning into a gripping saga exploring the real-life limitations encountered while harboring a volatile secret. Novels in the complete *Fluorescence* series: Book 1 *Fire Starter*, Book 2 *Contagious*, Book 3 *Fallout*, Book 4 *Lost Souls*.

The Devil's Redemption Ricky Firman, 2025-02-01 In *The Devil's Redemption: Reclaiming the Narrative*, Ricky Firman takes readers on a bold and provocative journey that challenges everything we think we know about good, evil, and redemption. A sequel to the acclaimed *My Friendship with the Devil: A Story*, this book continues the unlikely and deeply introspective partnership between a writer and the Devil, now revealed as Samael, a being burdened by centuries of vilification. Samael returns not to defend his past but to seek something far more elusive: a second chance. What unfolds is an unflinching exploration of humanity's contradictions, where historical atrocities and moral hypocrisies are laid bare. Together, the writer and Samael revisit pivotal moments in history, uncovering the ways humanity has externalized its darkness, using the Devil as a scapegoat for its own failings. Through their conversations, Samael reveals his regrets, not for defying the Creator but for the unintended suffering his rebellion caused. He seeks to reclaim his story, not as a villain or hero, but as a symbol of freedom, thought, and the possibility

of change Along the way the writer confronts his own doubts and fears realizing that redemption is not about erasing the past but about embracing it and choosing to move forward With its blend of sharp irony and profound introspection The Devil s Redemption Reclaiming the Narrative is a thought provoking tale that will challenge readers to look beyond the surface of morality and question the narratives we use to define ourselves At its heart this is not just the Devil s story it s a story about humanity s potential to find redemption within its own flaws What if even the Devil deserved a second chance Would we have the courage to grant it or to claim it for ourselves

Seasons of Time Catherine Weaver,2019-02-25 Let s lay down religion Let s lay down traditions Let s start getting it right Your walk with God is the most important area of your life This journey should never be taken for granted Each day brings about new challenges new experiences and new mountains to climb and conquer The decisions you make today become the cornerstone of the circumstances you face tomorrow Each and every day we are working out our salvation as part of God s perfect redemptive plan Being molded and shaped by the Master can sometimes make us feel overwhelmed or discouraged it is then we need a helping hand of encouragement or better understanding of the scriptures to apply it to our lives It is by this method that we learn and grow into God s purpose and are better equipped to run the race into our destiny not only in this life but most importantly in our life to come God loves us so much but have you ever studied or tapped into the attributes and promises that he has for us Seasons of Time starts with a Love Letter from God so you have a better understanding of just who the Master is and what he has to offer you To draw closer to God you must understand the redemptive plan that he created If you don t have a clear understanding of what is in the Old Testament and how it leads to the New Testament you will never be able to totally appreciate the New Testament for what it really is So just where do we start It is always best to start at the beginning with what it takes to become closer to God We all know that we must confess our sins and accept Jesus into our hearts so why not start with the season of repentance in the Old Testament and allow the laws given by God to Moses to become alive in our spirits By doing this we create a solid foundation in which we can grow and mature Once the groundwork is set Seasons of Time takes you through different areas of your life so you can discover the profound truth in the Word of God What is your responsibility as a man or as a woman How do you build character What is discipline and discipleship all about Do you really recognize the traps set by the enemy Sexual morality is a subject that each and every individual has pondered in their mind and has sometimes struggled with in their life but you don t hear that preached from the pulpit Can you possibly have a demon What kind of church is Jesus Christ coming back for How can we become that kind of church and are we really close to the end In today s society the children of God are often tossed to and fro Society is changing each and every day and our culture has adopted a motto If it looks good feels good just do it And in most cases this is not correct in God s eyes Because of this Seasons of Time is written in a simple manner outlining scriptures to encourage you to study and become all you can be for the kingdom of God Whether you are a seeker a new believer or a seasoned saint let God use these pages to place your feet firmly on the
