Rewrite Your Story While You're Awake: Conscious Living Over Auto-Pilot Existence Sybex Books, 2025-06-24 You don't have to hit rock bottom to wake up *Rewrite Your Story While You're Awake* is your call to stop drifting through life on autopilot and start consciously designing the story you're here to live Most people wait for a crisis a loss or a breakdown to begin questioning their choices This book invites you to begin now with eyes open and full agency so you can change the story before the plot twist hits Examine your patterns Audit your beliefs Interrupt the habits that were written by fear not by truth This isn't about creating a fantasy life it's about owning the one you're living rewriting it where needed and stepping into authorship with intention Every day is a sentence Every decision a line And the story you're telling with your life is unfolding whether you're conscious of it or not So why not make it something you're proud of You don't have to rewrite it all overnight You just have to stop sleepwalking through chapters you never meant to be in Because when you wake up to your own voice your own values and your own power everything in the story changes [Story Encyclopedia of Values and Habits](#) Agnes de Bezenac, Salem de Bezenac, 2017-01-15 Bringing ethics to everyday life through relatable and entertaining examples Principles that children will enjoy learning about Each of the 42 topics include an illustration a simple definition a story of interest and a notable quote Many people talk about good character good values and good morals but what in the world does that all mean Well your character is shown by how you think feel and act It's your personality We all have many character traits how we behave that are both good and bad Having lots of good character traits usually equals a happy life But having too many negative character traits might end up being a real bummer So it makes sense that working to form a good character is very important When we talk about Character it means the values inside that determine our actions on the outside Character is the model we use for making decisions It's like a moral compass that guides what we do It's who we are when no one else is watching Suggested for ages 7 to 10 For more great products visit our website at www.kidible.eu
