The Apocalypse Stone:

The Apocalypse Stone Pete Earley, 2025-10-16 Judge not lest ye be judged These words have rarely if ever crossed the mind of Aberlencyn county judge Evan Spencer From a middle class background he graduated law school married into wealth and now has his eye on a Supreme Court seat All seemed to be going well for Judge Spencer until he received a package from an old college friend he hadn't heard from in years containing a cryptic note and a small stone But in trying to track down his old friend Spencer learns of the man's suicidal leap from the roof off a 20 story balcony Evan Spencer now has control of an object whose power is beyond anything he could possibly imagine an object whose very existence has been kept under wraps by the Vatican for decades Spencer has been given the Apocalypse Stone the actual stone Christ used when he stated He that is without sin among you let him cast the first stone Throughout history this stone has been passed along inflicting its possessor with stigmatic wounds and vivid visions of their sinful life Enlisting the help of Reverend Angelo Grasso a seventy two year old expert on the history of stigmatic cases Spencer must uncover the secrets behind this strange stone or watch his family career and possibly his life be destroyed At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Intertextuality of Paul's Apocalyptic Discourse Doosuk Kim, 2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of

The Identities of the Beast from the Sea and the Beast from the Land in Revelation 13 Joseph Poon,2017-03-13 This book aims to identify the beast from the sea and the beast from the land in Revelation 13 by studying their unique link together with the dragon in Revelation 12 the land beast is subordinate to the sea beast which in turn is subordinate to the dragon The early sections of the book provide a review of previous scholarship the influence of Daniel 7 in understanding Revelation 13 and the Leviathan Behemoth motif in several apocalyptic writings The core of the book however seeks to demonstrate that the relationship of the two beasts and the dragon fits well with the tripartite hierarchy that Georges Dumezil has discovered as one of the dominant structures of relationships in Indo European mythological traditions In congruence with the criteria of the three hierarchical levels in Dumezil s system the dragon concerns the ultimate sovereignty in a supernatural sphere while the sea beast and land beast are found respectively as a warlike figure in a war context and as a figure relating to the economic theme Based on this finding the book concludes that the two beasts represent the imperial power and the imperial cult as most commentators believe **With Letters of Light** Daphna V.
