The Anatomy Of Preaching Identifying The Issues In Preaching Today:

The Anatomy of Preaching David L. Larsen, 1989 Insight and commentary on fifteen issues that affect a pastor's effectiveness including making a sermon flow, escaping predictability and using narrative effectively **Christ-Centered Preaching** Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation, organization and delivery, the trademarks of great preaching. With the help of charts and creative learning exercises, Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching. He also provides help for special preaching situations. The second edition contains updates and clarifications, allowing this classic to continue to serve the needs of budding preachers. Numerous appendixes address many practical issues. **The Shape of Preaching** Dennis M. Cahill, 2007-01-01 Many pastors are just too busy to follow the latest theories on preaching and sermon form. In *The Shape of Preaching*, Dennis M. Cahill seeks both to educate the working pastor on the current issues of sermon design and enable them to use this design in a way that can change their preaching. After first laying the theoretical groundwork with discussions of the theological, cultural and literary roots of the new approaches to sermon design, Cahill expertly guides the preacher through a practical process for designing sermons that speak to people in the world today. *Basis of Preaching: Biblical Message: Preach the Word* Rev. Dr. Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important tasks and challenging to human beings. It is imperative for all the committed Christians to learn and live with the Biblical truths. As such, the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel, for maintaining spiritual and moral life, and for knowing God's will, but is not necessary for knowing that God exists or for knowing something about God's character and moral law. *Basis of Preaching: Biblical Message: Preach the Word* is for the glory of God, the building up of the church and society, and the spreading of the Gospel to the ends of the earth, that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational, some are humorous while others use sound logic and well-reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead, learn from them and develop your own style as a good communicator. Rev. Dr. Koningthung Ngoru Moyon presents Biblical Preaching in his book *Basis of Preaching: Biblical Message: Preach the Word*. It is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However, the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit. This is the focus in the book. That Which They Can't See David Van Brugge, 2025-01-20 In this retrieval study, David Van Brugge addresses

how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today Preaching That Comes Alive Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers

Preaching with a Plan Scott M. Gibson, 2012-03-01 Every pastor wants the sermon to be an important tool for maturing those listening in the pews Having a preaching plan is an essential part of this process If a preacher's messages are scattered unrelated to one another or haphazardly prepared it can be difficult for those in the congregation to make connections to aid their spiritual growth Preaching with a Plan encourages and equips pastors to develop a cohesive preaching plan to guide their choice of Scripture topics and concepts on which to expound on Sunday mornings It answers four critical questions for pastors including Who plans preaching Why should I plan my preaching What kinds of preaching plans are available How do I put together a preaching plan Moving quickly from theory to practice Preaching with a Plan helps pastors develop an entire year's worth of sermons designed to educate enrich and nurture mature believers Talking God Albert Cutié, 2016-04-10 What does it mean to preach to a 21st century congregation Today's church has a digital dilemma We live in an age where new media is inescapable yet many still perceive these new forms of communication as either an unmanageable challenge or

at odds with the mission of the church Clergy and lay leaders alike can be at a loss as to what methodologies practices and adjustments are necessary to engage today's congregations How can we effectively meet the challenges of our present context In *Talking God* Fr Cuti whose wide following spans both traditional and new media starts where preaching the gospel has always started with a preacher and an audience and examines the challenges digital communications pose to all involved in the craft of preaching including the way contemporary audiences receive and listen to the message preached Is the 21st century church responding to this evolution by seeking to understand the present day listening context and the often overwhelming media culture in which it is called to preach Must preachers and teachers of the Word of God evolve in style and practice to continue being effective communicators of the gospel Has the world changing around us changed our methodology or even our message

Hear Her Voice Christine Redwood, 2024-08-01 How does our gender impact our preaching Can women express anger in a sermon Why use a first person narrative sermon structure After preaching for several years Christine Redwood realized both her preaching role models and her theology had come predominantly from men so she spent the next six years researching feminist scholars and their readings of stories from the book of Judges In this accessible book she shares what she has learnt including sample sermons and exercises for preachers wanting to grow in their craft This is essential reading for preachers wanting to amplify marginal voices
