The Anxious Congregation Ken Thiessen, 2012-04 Greenwich Community Church is a typical local church a typical anxious local church There s only one small problem They wouldn t describe themselves as an anxious local church Barry Moffat a dynamic visionary leader has just arrived on the scene as their new Lead Pastor There are signs of life growth and momentum But fear lurks beneath the surface threatening to disrupt the momentum and sense of excitement Whether you realize it or not Greenwich Community Church s story is your church s story Weaving organizational systems principles and theological reflection into Greenwich s story Ken Thiessen illustrates how anxiety and fear dominate many of the decisions made in every local church Your local church He identifies some of the key manifestations of anxiety and fear and outlines healthier ways of acknowledging and managing anxiety so as to help the church better love God and other people This book has the potential to change your life and the life of your church but hold on for the ride

The Anxious Generation Goes to Church Thom S. Rainer, 2025-08-19 A new generation is going to church But is the church ready Church consultant and researcher Thom Rainer believes God is at work in this generation and he believes that this moment in time has created unique opportunities for churches to grow thrive and revive The culture is at inflection point Nearly two thirds of Gen Zers reported experiencing at least one mental health problem in the past two years This statistic was lower for all older generations including Millennials 51% Gen Xers 29% and Boomers 14% Gen Z is the loneliest generation of Americans lacking deep relationships and offline connection Sixty eight percent of Gen Z feel like nobody knows them well That is one reason why this generation is called the anxious generation Researchers have identified everything from social media to pandemic lockdowns as the prime culprit of why Gen Z is struggling with issues like mental illness more than other generations Thom Rainer views the church as God s Plan A for helping this generation discover their true calling and thrive in a purposeful and genuine faith community In this book Thom explores research that reveals that the anxious generation is yearning for meaningful community and is waiting to be invited in The Anxious Generation Goes to Church presents research on the anxious generation that engenders hope for the future of the church describes the unique challenges for the anxious generation as well as their dreams and goals provides strategy and inspiration for church leaders who want to prepare believers to provide help and hope With the unique challenges of our times the anxious generation needs the church more than ever Is your church ready

Non-Anxious Churches Mark Knight, 2022-02-17 Pastoral failure volunteer fatigue exhausted staff members church wounds and increasing membership decline have left us wondering how do we lead from God with us rather than the world s hustle culture Non Anxious Churches examines communities need for churches that are authentic real and non anxious Unfortunately churches are not immune to anxiousness and can even perpetuate it by juggling tasks getting caught up in activities and focusing on the wrong goals Pastor Mark Knight guides church leaders instead to dwell in and lead from the abiding presence of Jesus Over the years the social sciences have added a lot to this

discussion about churches and anxious systems Non Anxious Churches seeks to further the conversation using answers found in Scripture and in the discipline of spiritual formation *Pastor to the Body of the Congregation* Dennis S. Ross,2025-10-14

Pastor to the Body of the Congregation A Companion Guide for Congregational Clergy fills a gap in seminary education and in service training by applying the skills of helping individuals and families to caring for an entire congregation This book takes an empowerment approach drawn from social work to lead with congregational strengths build trusting relationships assess needs establish mutual goals and work toward measurable outcomes Social work religious advocacy and media relations contribute clearly presented and easily applied skills such as building rapport creating a mutual work plan partialization of larger tasks acting with parsimony and holding to task It also draws from systems theory to identify and address obstacles to work with a unique presentation of triangulation that includes categorization of behavior patterns such as secondhand comments default responses grandstanding and gatekeeping and provides appropriate responses for immediate application to congregational life Of additional significance this book takes a relational approach as suggested by Jewish thinker Martin Buber by labeling situations and behavior not people prioritizing current needs and situations over in depth historic study and analysis and underscoring the intention of staying in relationship with our congregants even when we react with upset *Church Abuse of Clergy* Gene Fowler,2020-03-09 Imagine receiving a shocking email from a church member stating that you the pastor have mishandled church funds and that you should resign for the good of the congregation Soon you discover that the church member sent the email to many other church members Additional lies will follow until the fateful day comes when the members vote to fire you or the bishop dismisses you or you resign for sheer survival You are experiencing church abuse of clergy which is the topic of this book Clergy will gain an entirely new understanding of church abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged

Worship in an Age of Anxiety J. Michael Jordan,2024-06-04 Too often in the history of Christian worship evangelical leaders have sought to manipulate anxiety to spur repentance J Michael Jordan challenges this utilitarian approach offering a practical theology of worship within a healing framework that rather than manipulating anxiety acknowledges accepts and offers it to God *Unmasking the Angel* Stephen Langford,2025-05-01 This book explores the concept of an angel of the church It begins with the question that so intrigued Walter Wink Why would Jesus ask John to write to an angel in Revelation 2 3 This work develops critiques and expands Wink s answer It does so by taking the historical records of three churches in England s West Country and bringing them into conversation with Wink s understanding of the angel of the church It then

goes further by introducing Wink's work to specialists in fields that include architecture demographics and church polity This scholarly conversation creates a matrix within which ministers with pastoral charge might be equipped to explore the spiritual identity or angel of their own congregations

Change and Conflict in Your Congregation (Even If You Hate Both) Rev. Anita L. Bradshaw, PhD, 2015-03-03 A warmhearted guidebook to help your church navigate change and channel conflict into a stronger sense of mission and community Lay leaders pastors and church staff will be empowered by creative practical strategies to establish appropriate congregational behavior offer nonanxious leadership and foster community discussion and discernment

When Christ's Body Is Broken Leanna K. Fuller, 2016-03-03 When Christ's Body Is Broken tells the stories of two congregations in conflict Although these churches had very different problems they faced similar struggles to articulate a faithful response to their concerns and to cope with the discord that threatened to tear their communities apart Pastoral theologian Leanna K Fuller shares these stories as a way of exploring the sources and dynamics of conflict in congregations She argues that at the heart of such conflict lies anxiety triggered by encounters with difference Bringing together resources from pastoral theology psychodynamic theory and social psychology Fuller offers a theological reframing of conflict through categories of diversity vulnerability and hospitality categories that she argues can encourage human beings to sit with the anxiety stirred by communal life and remain connected across differences This reframing provides fertile ground out of which Fuller imagines concrete practices designed for conflicted communities and their leaders

Congregational Leadership in Anxious Times Peter L. Steinke, 2006-11-20 Anxious times call for steady leadership When tensions emerge in a congregation its leaders cannot be as anxious as the people they serve To remain effective congregational leaders must control their own uneasiness This takes self awareness and confidence to manage relationships and influence behaviors Knowing how to deal with anxiety and how to work through complex challenges can lead a congregation to new insights growth and vitality Anxious times hold not only the potential for loss but also for creation important learnings and changes that will strengthen the congregation With this new book internationally respected consultant Peter Steinke goes deeper into the requirements of effective congregational leadership Born from the wisdom of Steinke's distinguished career this new volume will both enlighten and embolden leaders Steinke inspires courage in leaders to maintain the course unearth secrets resist sabotage withstand fury and overcome timidity or doubts His insights illustrations and provocations will carry leaders through rough times provide clarity during confusing times and uplift them in joyous times
