The Arab Spring Pathways Of Repression And Reform:

The Arab Spring Jason Brownlee, Tarek E. Masoud, Andrew Reynolds, 2015 Several years after the Arab Spring began democracy remains elusive in the Middle East While Tunisia has made progress towards democracy other countries that overthrew their rulers Egypt Yemen and Libya remain in authoritarianism and instability This volume provides a foundational exploration of the Arab Spring's successes and failures *The 'Fall' of the Arab Spring* Tofiq Maboudi, 2022-04-07 It examines the wave of constitutions following the Arab Spring considering when constitutional bargains are likely to yield democracy **The Arab Spring Abroad** Dana M. Moss, 2022-04-21 Moss presents a new theoretical framework for

explaining when anti authoritarian diaspora movements emerge and become transnational agents of change Islamism, Arab Spring, and the Future of Democracy Leonid Grinin, Andrey Korotayev, Arno Tausch, 2018-09-26 This book provides an in depth analysis of public opinion patterns among Muslims particularly in the Arab world On the basis of data from the World Values Survey the Arab Barometer Project and the Arab Opinion Index it compares the dynamics of Muslim opinion structures with global publics and arrives at social scientific predictions of value changes in the region Using country factor scores from a variety of surveys it also develops composite indices of support for democracy and a liberal society on a global level and in the Muslim world and analyzes a multivariate model of opinion structures in the Arab world based on over 40 variables from 12 countries in the Arab League and covering 67% of the total population of the Arab countries While being optimistic about the general long term trend towards democracy and the resilience of Arab and Muslim civil society to Islamism the book also highlights anti Semitic trends in the region and discusses them in the larger context of xenophobia in traditional societies In light of the current global confrontation with radical Islamism this book provides vital material for policy planners academics and think tanks alike **Arab Spring** Eid Mohamed, Dalia Fahmy, 2019-10-08 This book provides

systematic integrated analyses of emergent social and cultural dynamics in the wake of the so called Arab Spring and looks closely at the narratives and experiences of a people as they confront crisis during a critical moment of transition Providing an interdisciplinary approach to interconnections across regional and communal boundaries this volume situates itself at the intersection of political science cultural studies media and film studies and Middle Eastern studies while offering some key critical revisions to dominant approaches in social and political theory Through the unique contributions of each of its authors this book will offer a much needed addition to the study of Middle East politics and the Arab Spring Moreover although its specific focus is on the Arab context its analysis will be of issues of significant relevance to a changing world order **The Palgrave Encyclopedia of Global Security Studies**, 2023-02-15 This encyclopedia provides an authoritative guide intended for students of all levels of studies offering multidisciplinary insight and analysis of over 500 headwords covering the main concepts of Security and Non traditional Security and their relation to other scholarly fields and aspects of real world issues in the contemporary geopolitical world **After the Arab Uprisings** Shamiran Mako, Valentine M.

Moghadam,2021-07-22 A holistic and cross disciplinary approach to understanding why a regional democratic transition did not occur after the Arab Spring protests this accessible study highlights the salience of regime type civil society women s mobilizations and external intervention across seven countries for undergraduate and postgraduate students and scholars

Youth Activism and Contentious Politics in Egypt Nadine Sika,2017-08-24 This book studies the role of youth movements in the Arab uprisings of 2010 and 2011 and the regime s responses to these movements

The Cameron-Clegg Coalition and Britain's Role in the World Timothy J. Oliver,2021-09-15 This is the first in depth study of the foreign and defence policies of the Coalition a government that saw the Conservatives restored to power for the first time since the Iraq War and the Liberal Democrats enter government for the first time It explores the idea of Britain as a Great Power since 1945 to show how the Coalition s policies fitted into wider historical understandings of Britain s role in the world Drawing on a range of evidence from the time of the Coalition it shows that this period was one of continued change in British foreign policy The Coalition conducted the first strategic defence review since 1998 significantly reduced the funding allocations for defence and foreign affairs raised overseas aid spending to record levels engaged in overseas military action in two sovereign states and were denied a chance to participate in another as well as a wide array of other policies This book argues that evaluating these events and the historical background of the Coalition is critical to understanding the current crises gripping British politics

The ^APolitical Science of the Middle East Marc Lynch,Jillian Schwedler,Sean Yom,2022-07-01 In *The Political Science of the Middle East* Marc Lynch Jillian Schwedler and Sean Yom have developed a definitive state of the art overview of research on the topic Collectively a group of the world s leading experts and scholars of the Middle East summarize the breadth of political science research in the Middle East They present major theoretical developments since the Arab uprisings while giving an review of key debates and pathbreaking findings in contemporary political science research in the Middle East and North Africa
