YouTube Review Ebook:

How to Make Money Online with YouTube Bri, 2015-04-29 YouTube has become a hot spot for businesses looking to make money on the internet. From small businesses seeking extra income from affiliate marketing to big enterprises trying to increase brand exposure, there is so much to gain from this video sharing platform. The truth, however, is that making money on YouTube isn't that easy. You'll need to be very dedicated and learn how to make captivating content. More importantly, you'll need to learn how to make money from your videos. The book is designed to help you understand the opportunities available on YouTube and provide you with the tools necessary to start making your own money creating and sharing videos on YouTube.

Self-Publishing eBooks Josh Williams, 2020-11-17 Do you like to amuse and entertain, inform or teach? Or do you have a great book in mind but don't know how to bring it to life? Did you get frustrated by the traditional literary agents who take forever to get your book approved or other traditional publishing gatekeepers who make you almost want to give up on the idea of publishing a book at all? Or you are only looking for a side business you can do that can make you an extra 1000 in passive income per month? Or do you dream to live with zero worries eating you up and no stress about finding a new job or taking your time off work to move or having worries about your paycheck because you have a system that makes you money even while you sleep? If yes, this is the best book for you. I get you. I have been in your shoes and experienced the same, so I decided to write this book to teach you everything about Self Publishing and help clear all your doubts and get you started right away. Besides, I have successfully published several best-selling books, and I know what you should do to avoid pitfalls and get you the right result. I will be sharing with you my wealth of experience in this book so you can do as good as I am or even better. In this book, I will teach you Self-publishing basics, how to get started and grab the maximum profit. How to do research and check if there is a hungry market for your book. How to write a book on a subject you know nothing about. How to hire ghostwriters, work and manage them effectively for optimum results. How to format your book without having to buy any tools or hire someone to do it for you. How to determine your writing needs, assign resources to create and market your book while ensuring that it is being displayed to the right audience. In all, I'll teach you the A-Z of self-publishing, from solving your dilemma of self-publishing to clearing your doubts and questions and finally guiding you to publish your masterpiece successfully. This book will be your best pal on your way to financial independence.

WHY BUY THIS BOOK
