

□ The basic assumptions of this thought include three major points.

□ Firstly, wise and well informed decisions can be made by a few carefully selected individuals who have been expressly trained to think in terms of the collective good of the state.

□ Secondly, these few individuals, who possess awesome and unchecked power, will not be corrupted by this power.

□ thirdly, once socially optimal decisions have been made, they can be implemented effectively by loyal, well-trained, and obedient bureaucracies.

YouTube Review Global Trend:

Human Interaction, Emerging Technologies and Future Systems V Tareq Ahram, Redha Taiar, 2021-09-09 This book reports on research and developments in human technology interaction. A special emphasis is given to human computer interaction and its implementation for a wide range of purposes such as health care, aerospace telecommunication and education among others. The human aspects are analyzed in detail. Timely studies on human centered design, wearable technologies, social and affective computing, augmented virtual and mixed reality simulation, human rehabilitation and biomechanics represent the core of the book. Emerging technology applications in business security and infrastructure are also critically examined, thus offering a timely scientifically grounded but also professionally oriented snapshot of the current state of the field. The book gathers contributions presented at the 5th International Conference on Human Interaction and Emerging Technologies (IHET 2021) August 27-29, 2021 and the 6th International Conference on Human Interaction and Emerging Technologies (IHET FS 2021) October 28-30, 2021, held virtually from France. It offers a timely survey and a practice oriented reference guide to researchers and professionals dealing with design systems engineering and management of the next generation technology and service systems.

Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication (PRMC 2024) which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists and media professionals who wish to stay updated on the recent shifts in public relations and media communication. **OECD**

Public Governance Reviews Global Trends in Government Innovation 2023 OECD, 2023-05-15 In the face of what has increasingly been referred to as an ongoing permacrisis, governments must cope with and respond to emerging threats while already grappling with longstanding issues such as climate change, digital disruption and low levels of trust. In this context, understanding new approaches and spreading successful ideas has never been more important. **Women in Bengal**

Sudarshana Sen, 2024-07-26 This book analyses the status of women in Bengal, India, by examining the versatile everyday living conditions of women and how they are represented as individuals and as a category in the media. Contributors to the book start their discussion from the point that women in India have a varied experience of living, thinking and acting specific to the regional cultural context. Caste ideology, specified privileges and sanctions according to innate attributes differ by sex.

as well as ethnicity class caste minority status and marginal position intersect lives and render unique life experiences With a focus on women and their lived experiences performances by them and performances imitating women s roles the book offers a complex and rich analysis of the reality of women s lives based on research and reflections by 25 scholars Organised into two sections the book presents women in reality their living conditions struggles and women as represented in films stories framed in plots sometimes by women and sometimes by men The chapters provide insights on how institutionalised gender distinctions create subordination and marginality of women and their struggles to survive in a society dominated by heteropatriarchal ideology and its practice This book improves our understanding of various dimensions of gender and transgender relations in India It will be of interest to researchers in Gender Studies South Asian Culture and Society and Studies on India

Contemporary Trends in Conflict and Communication Jessica Katz Jameson, Missy F. Hannah, 2022-07-18

Contemporary Trends in Conflict and Communication Technology and Social Media examines the myriad ways conflict communication occurs in mediated spaces whether through social media platforms such as Twitter Facebook and Instagram on private social enterprise spaces or through formal online dispute resolution ODR technologies We were experiencing the increase of conflict communication in hybrid spaces prior to the COVID 19 pandemic yet the global lockdown that shifted everyone to remote teaching learning and working heightened our attention to the impact of technology and social media on conflict dynamics While social media is often implicated in the spread of alternative facts false news and intimidation technology and new media also have the capacity to enhance and transform conflict communication in education workplace and socio political settings The contributors to this volume showcase cutting edge research that helps us make sense of the times we are living in and is organized in three sections 1 Using technology to promote dialogue and collaboration 2 Conflict communication on social media 3 Online conflict management in education training and practice This collection is relevant to scholars of conflict studies as it highlights key trends and areas for future research to improve conflict communication dialogue and collaboration and proposes ideas for using technology and social media to transform and connect rather than polarize and divide

Digital Public Relations and Marketing

Communication Trends in Africa Anne W. Njathi, Brandi Watkins, 2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book
