Mindfulness Meditation Ebook:

EBOOK: A Beginner's Guide to Mindfulness: Live in the Moment Ernst Bohlmeijer, Monique Hulsbergen, 2013-05-16 While the concept of living in the moment seems simple the reality is often entirely different as our minds chatter and fret and rarely stand still Fortunately Ernst Bohlmeijer and Monique Hulsbergen have written a clear and reassuring guide to mindfulness and ACT with illuminating exercises and a wealth of information about how our minds work But more than this it is also a guide to living a more contented life as the reader is encouraged to search out and live a life guided by their most deeply held values It is an uplifting read Rebecca Alexander executive coach The Coaching Studio and Contributing Editor Psychologies Ernst and Monique have written a wonderful self help guide Full of interesting anecdotes helpful case studies and useful techniques this is a book which teaches us how to lead a more fulfilled life Dr Rick Norris Consultant Psychologist and author of Think Yourself Happy the simple 6 stage programme to change your life from within Life is not easy There are times when we are full of gloom doubt fear bitter disappointment or insecurity This practical book will help you to experience greater freedom and quality in your life and teach you how to cope with stressful situations Combining mindfulness and Acceptance and Commitment Therapy ACT exercises in an accessible 9 week programme Bohlmeijer and Hulsbergen show you how to observe your thoughts without judgement and connect with the here and now in your life By spending a few minutes a day you will discover what really matters to you in life and learn to base your day to day actions on your values Learn how to live in the moment with this step by step guide to mindfulness and walk away from fighting difficult emotions You will find peace and greater joy as well as reduced anxiety and stress With illustrations by Helen van Vliet Mindfulness is a form of meditation that originated in Buddhist practice A recent development is Mindfulness Based Stress Reduction or MBSR which is now being used successfully in treating a range of clinical conditions including the relief of stress and anxiety in cancer The new book A Beginner's Guide to Mindfulness by Ernst Bohlmeijer and Monique Hulsbergen is a most valuable addition to the literature It is written with authority by two distinguished and experienced psychologists and contains a wealth of information written in easily understood English The book also contains useful exercises for people to work through I recommend this book highly especially to anyone trying to help themselves deal with physical or psychological illness Professor Jane Plant Imperial College London UK and author of international bestseller Your Life in Your Hands Being a human being includes difficulties The authors take this simple fact of life blend their personal experiences a model of mindfulness scientific evidence and a bit of humour From this they create a book of wisdom inspiration and practical steps for living Lance M McCracken Professor of Behavioural Medicine King's College London UK This is clearly one of the best mindfulness books for beginners You can put it directly into the hands of your clients with no explanations Clearly a very user friendly book to have in your clinic JoAnne Dahl Professor of Psychology Uppsala University Sweden This is a very useful book for anyone wanting to find more meaning and satisfaction in life It blends exercises and metaphors from several

mindfulness based therapies in a user friendly self help format Ruth Baer Professor of Psychology University of Kentucky USA Bohlmeijer and Hulsbergen s A Beginner s Guide to Mindfulness provides an accessible and practical route to create more well being They have convinced me with their research and this volume that they are serious about helping more people flourish in life Anybody interested in flourishing should read this book and more importantly practice what they preach Corey Keyes Professor of Sociology Emory University Atlanta Georgia USA *Wherever You Go, There You Are* Jon Kabat-Zinn, 2016-05-05 THE TIME HONOURED INTERNATIONAL BESTSELLER UPDATED AND WITH A NEW INTRODUCTION AND AFTERWORD CELEBRATING THIRTY YEARS OF INFLUENCING THE WAY WE LIVE For the past three decades *Wherever You Go There You Are* has helped catalyse the explosion of interest in mindfulness around the world While mindfulness is considered the heart of Buddhist meditation its essence is universal and of deep practical benefit potentially to all In essence mindfulness is about embodied wakefulness Our minds are such that we are often more asleep than awake to the unique beauty and possibilities of each present moment While it is in the nature of all our minds to default to autopilot and lose touch with the only time we actually have to live to feel to grow to love to learn to give shape to things to heal our mind also holds the innate capacity to awaken to each moment This book gives you a variety of ways to experiment with not missing your moments and take maximal advantage of them by tending what most needs tending to now Given the myriad mega challenges humanity and planet Earth are facing at this time *Wherever You Go There You Are* can provide both a personal refuge for meaning making healing and transformation as well as a locus for collaborating with others to heal the suffering of the world *Meditation And Mindfulness* Daniel Emotion, 2019-09-18 If you have a problem understanding your inner self and getting along with others then this is the best book for you Did you know that when you meditate your inner spirit becomes contagious and you can enjoy better relationships and more Do you respond positively to any of the following You are suffering from mental pain and anxiety and you don t know what is causing it You are experiencing stressful situations that are making it hard for you to enjoy your life You cannot connect to other people and most of the time you find yourself staring blankly at them You even have no idea what they are saying most of the time You cannot focus on anything that you put your mind to do the mind constantly strays off to other things that aren t vital to that moment You have a chattering voice in your head that just cannot leave you alone You feel like you need to give the voice a little break You aren t aware of your actions as well as your thoughts and you are always regretting some actions and decisions that you take Your thoughts are always on a roll and you don t have the capacity to determine what thoughts are true and what are bollocks You have very little control over your emotions and you cannot express them freely most of the time You find it hard dealing with adverse situations that require you to think everything over You wish to slow down the pace of your life When you are going through this you need to have a solution and this solution comes in the book *What You Expect from the Book* Understand what meditation is and what it means to meditate Understand the benefits of meditation

and mindfulness How it works and why it is so vital The different types of meditation techniques that will get you to the goals you are after You won't just learn about one or two meditation techniques but a total of 11 way more than what the other books on the market give you Each method is detailed with examples You read about meditation in practice right from walking meditation to mindfulness meditation and how they apply to tension headaches sleep negative attitudes and muscle relaxation We look at the various group meditation techniques and how you can benefit from them We also look at meditation while on the go You get to learn about meditation in society and how it affects schools leadership and the workplace In short this is a package that will get you from zero to hero The book is divided into chapters that make it easy to read and understand It takes time to learn to meditate but the book gives you all you need to start and work on it When the time is right you will enjoy so many benefits that will make you an expert of meditation and mindfulness So if you want to be a master on meditation and mindfulness click Add to Cart now [This Moment Is Your Life \(and So Is This One\)](#) Mariam Gates, 2018-05-22 This lively hands on guide to meditation mindfulness and yoga is a perfect introduction for tweens and teens Don't just do something be here The key to happiness is being able to find comfort in this moment here and now When you are completely present and not distracted by regrets worries and plans even for a little while you begin to feel more confident and can deal more easily with everything you experience This is mindfulness paying attention to this very moment on purpose and without judgment simply being present with curiosity This engaging guide packed with simple exercises and endearing full color artwork provides a handy starting point for bringing mindfulness into your daily life Chapters on meditation yoga and mindful breathing explain the benefits of these practices and you are free to pick and choose what to try There are quick exercises throughout and a more extensive tool kit at the end of each chapter The final chapter offers satisfying five day challenges that map out ways to pull all of the book's mindfulness techniques together in your day to day life With the appeal of a workbook or guided journal and full of examples relevant to tweens and teens today this book will be your trusted companion as you begin the valuable stress relieving work of being still with skill **Capturing Mindfulness** Matthew Johnstone, 2014-06-19 There are few better ways to consciously slow down and truly engage with your surroundings than when you are armed with a camera With Capturing Mindfulness de stressing and being in the moment needn't be limited to simple diary keeping and fill in journals instead you can capture it with your lens Bestselling author Matthew Johnstone's latest book Capturing Mindfulness is a natural follow on from his last book Quiet the Mind which came out in 2012 Matthew has been practicing what he terms photopresent for the last 15 years and believes that next to meditation this is one of the most creative and enjoyable ways to attain mindfulness in day to day life The very essence of photography after all is all about focus and capturing the moment Matthew is fascinated by light colour composition and most importantly how he can see the world differently For him having camera in your hands is the reminder to consciously slow everything down from your breath to your walk to your thoughts and begin to really observe your surroundings as if seeing them for the first

time Mindfulness photography is about seeing something that no one else can capturing something that will never happen again and finding beauty where it doesn't typically exist When we become more consciously aware of where we are what we're doing and what we're thinking life can become calmer more enjoyable and generally more manageable Mindfulness and Meditation For Dummies, Two eBook Bundle with Bonus Mini eBook Shamash Alidina, 2012-12-06 Two complete eBooks for one low price AND a bonus mini edition Created and compiled by the publisher this bundle brings together two enlightening titles and a bonus mini edition of 50 Ways to a Better You With this special bundle you'll get the complete text of the following two titles and the following mini edition Mindfulness For Dummies A cutting edge meditation therapy that uses self control techniques mindfulness has taken off across the globe as a way of overcoming negative thoughts and emotions and achieving a calmer more focused state of mind Written by a professional mindfulness trainer this practical guide covers the key self control techniques designed to help you achieve a more focused and contented state of mind while maximizing the health benefits of mindfulness from reducing stress anxiety and high blood pressure to overcoming depression and low self esteem and battling chronic pain and insomnia Meditation For Dummies 3rd Edition Meditation is a great way to reduce stress increase energy and enjoy better health It is believed to result in a state of greater calmness and physical relaxation and psychological balance Plus practicing meditation can change how you relate to the flow of emotions and thoughts in your everyday life This fun and easy guide has long been a favorite with meditation newcomers and now it's even better Meditation For Dummies offers a newly recorded bonus CD available for download after purchase featuring more than 70 minutes of music and guided meditations that are keyed to topics in the book from tuning in to your body transforming suffering and replacing negative patterns to grounding yourself consulting the guru within and finding a peaceful place 50 Ways to a Better You Mini Edition Now you can find the happiness you want and live the good life you deserve by applying the helpful information in this easy to follow guide You'll discover proven techniques for living a meaningful healthy and productive life no matter what your life circumstances happen to be You'll learn why having positive emotions can improve your health and well being Plus you will find out what happiness isn't and how to avoid confusing happiness with culturally valued outcomes like wealth power and success Pursue what you want seize the day find benefits in life's challenges and live a happy lifestyle About the Author of Mindfulness For Dummies Shamash Alidina is a professional mindfulness trainer speaker and coach specializing in mindfulness training for therapists coaches and executives as well as the general public He has trained with Jon Kabat Zinn Thich Nhat Hanh and Matthieu Ricard and at Bangor University's Centre for Mindfulness He has over ten years of experience in teaching mindfulness About the Author of Meditation For Dummies 3rd Edition Stephan Bodian a licensed psychotherapist and former editor in chief of Yoga Journal has practiced and taught meditation for over 40 years and has written extensively on meditation stress management and spirituality His articles have appeared in Fitness Cooking Light Natural Solutions and other national magazines About the Author of 50 Ways to a Better You For Dummies
