Morris, 2017-06-14 Arm yourself with knowledge prepare for the final battle and crown your Savior King of Kings The world fails to realize that Christ is the victor in the war between good and evil Deceived humanity fights to eliminate all Christian influence from society But by His shed blood and the power of The Holy Ghost Christ has enabled His church to be Salt and Light to a people headed for judgment Until Christ calls His bride home darkness will never rule But as the Saints sing praises to their Savior at the Marriage Supper of the Lamb multitudes will pay sin s death toll as the Antichrist rules on earth for seven years Satan s lies will soon be swept away by the wrath of God Are you ready *Charting the End Times* Tim LaHaye, Thomas Ice, 2001-09-01 Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace The result of decades of careful research and Bible study the charts and well written explanatory text provide a fascinating picture of the times ahead Charting the End Times includes A foldout portraying God s complete plan for the ages More than 50 full color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end times questions Providing a wealth of information this book is certain to become a popular study tool for understanding God s unfolding plan *Naming the Antichrist* Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history

This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life

The Rapture, One-World Government and the "Great Tribulation" Luis Munoz, 2012-11 This book explains in great detail and exceptional clarity the issues related to the Rapture of the Church the government of the Antichrist the Great Tribulation and all the apocalyptic judgments that God will pour out upon the world in the latter days The Rapture of the Church will bring about the global collapse of the economic political and religious institutions around the world Humanity will look for a leader who can put the world back together offer them peace and security So by popular acclamation the world will host a false prince of peace the Bible calls the Antichrist He will elate the masses by telling them what they want to hear The Antichrist will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray We cannot begin to imagine the horror and the endless suffering humanity will experience through the chaos wrought by the Antichrist The Bible says that the Antichrist s empire shall devour the whole earth trample it and

break it in pieces Daniel 7 23 In reference to this dreadful period of human suffering the Lord Jesus said For then there will be great tribulation such as has not been since the beginning of the world until this time no nor ever shall Matthew 24 21 This will be a period characterized by widespread wars which will bring death to billions of people During this period 25 and 33 percent of the world population will die in two major wars If these two conflicts were to take place in our time 3 56 billion of the world population would die Armageddon for Beginners David McKay,1999 **Final Warning** Gabriel Michaels,2022-04-06 In his second book about the coming horrendous WWII nuclear fire war Final Warning WWII Part Two Gabriel Michaels deals with several end time subjects Among these are the rise of the Antichrist and the false prophet the extensive preparations for WWII that are being done by the United States NATO Russia and Russia s prophetic allies and the end time signs in the heavens He also examines the question that everyone wants to know concerning the timing of Jesus s return when I think you will be surprised by what God has shown him about this and how close we actually may be to WWII and Jesus s return at the Rapture In easy to understand language Gabriel Michaels shows that time is running out for man s rule of earth He shows how and why Jesus truly is coming to earth soon to set up his kingdom of one thousand years If you have already read WWII Part One then once you read this book many of your questions concerning the end times may well be answered For the sake of you your family and your friends you should know these things We are quickly moving to a great climax in world history This could quite literally be the final warning that many will hear The sunset of man s rule over Earth his final generation to rule Earth began May 14 1948 when Israel became a nation The sunrise of the rule of Earth by Jesus Christ King of kings is upon us and very few understand that The prophet Daniel was told in Daniel 12 9 NIV Go your way Daniel for the words are closed up and sealed until the time of the end The words of end time prophecy are being unsealed in this book in a way you have probably never heard before You can be one of those in the end times who would be among the wise as the prophet was told in Daniel 12 10 NIV None of the wicked will understand but those who are wise will understand Author Gabriel Michaels has studied for over fifty years to bring this word of warning to you to help you understand the lateness of the hour in which you live This is a warning done out of love Please listen before it s too late King Jesus is coming Get ready for the return of the King **Stalking the Antichrists (1965-2012) Volume 2** George E. Lowe,2013-12-16 Volume 1 of Stalking the Antichrists and Their False Nuclear Prophets Nuclear Gladiators and Spirit Warriors 1940 1965 is essentially an enhanced memoir It is based for the most part on my personal observations and knowledge and specialized information from my academic studies of history political science and literature at Grove City College and the University of Chicago as well as my professional insights into the heart of the U S Navy 1953 1957 1960 1961 OP 09D as an Air Intelligence Officer in Hawaii and Japan and the Pentagon political military counsellor assignments in the State Department as a Foreign Service Officer FSO 6 at the American embassy in Paris 1962 64 and a speechwriter in the Navy Department 1965 In volume 2 the textual narrative begins with the end of my specific actions activities in the Navy and Foreign Service

in July 1965 which I have called How I Lived in History 1950 1965 In retrospect my entire Navy career from my commissioning as Ensign USNR 1355 AIO in early September 1953 at Naval Station Newport Rhode Island to my first honorable discharge at Treasure Island on August 27 1957 was in preparation to an understanding of World War II and the Cold War Armageddon; Or, The Battle-field on which Antichrist and His Armies are to be Overthrown, as Seen Through the Telescope of Divine Prediction ,1853
