I met my younger self for coffee this morning.

We were both very nervous about the meeting process.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and move out to her own house, but for her house, it's not her own house, it's her parents' house, and she's still living with them.

We asked her if we are okay?
Told her most days yes, she was living a life we never could have imagined, but the pain of losing our family hurts a lot some days.

We asked her if we called the guy from the concert?
Told her yes, and how she was happy 20 years with him. He's better than we ever could've imagined, I show her pictures of our beautiful life now and our two beautiful children.

We were feeling excited, nervous, and a little sad about her future.
Told her feeling grateful for all we've been through and for being here and that we're.

Hope we meet again soon.

I had coffee with my younger self.

She was right on time, I was 2 minutes early.

She ordered a sugar free red bull, I ordered a matcha with honey, cinnamon, and organic whole milk.

We asked if we just wanted our anxiety, hormonal acne, bloating, fatigue, and hypothyroidism.

I told her we're fully healed, but now we're struggling with the same things.

We asked if we ever moved out of our family home.

I told her we moved to a beautiful city and currently live in LA in the mountains.

I hope I get to have coffee with her again soon.
