The Legendary Witch Is Reborn as an Oppressed Princess: Volume 3 Touko Amekawa, 2025-02-18 Two years have passed since Claudia said goodbye to her wayward student Sewell. Now ten years old, she brings Noah with her to enroll in Raushneur Academy of Magic, an institution she, as the great witch Adelheid, had built on the bottom of the sea five hundred years ago. She and Noah travel there to investigate a mysterious song that lures ships to their doom. They meet Fiolina, an eighth year student with a beautiful voice and a royal secret, as well as Fiolina's younger sister Lairetta, who has trouble controlling her tremendous magical power. Claudia believes that the key to solving the curse's mystery lies with these two sisters. To further complicate matters, Noah's cousin Sieghart, the Crown Prince of Lemilsia, is also a student at the academy. Join Claudia and Noah as they journey to the bottom of the sea to continue their quest to eliminate curses the world over.

Thick Witch Travels Lizzy Ives, 2025-09-16 In this highly anticipated sequel to *Fat Witch Summer Thrash* and her friends are headed to Europa for an enchanted gap year, but can their coven survive new countries, new crushes, and a mysterious mentor with secrets of his own? A year after finding her voice and her coven, Thrash is ready to make memories with her best friends Cresca, Saki, and Em. But everyone seems to have their own vision for the trip. Em is on a mission to find summer love, Saki's dodging romance entirely, and Cresca might be falling into something darker. Determined to keep their coven together, Thrash signs them up for an apprenticeship at the famed Wainwood Academy under the eccentric Fae architect Fernicus Wainwood. But their vacation detours fast when a desperate familiar appears, begging Thrash to help unravel a powerful and dangerous spell. Suddenly, the girls are forced to navigate blood magic, royal politics, and the bonds between witches and familiars. And if that wasn't enough, Thrash begins to suspect she might be catching feelings for Cresca. As her magic deepens and her relationships shift, Thrash must decide if she is the kind of witch who follows the rules or breaks them to set others free. A wildly imaginative adventure infused with Ives' unique magic, *Thick Witch Travels* is a story about growing up, growing apart, and loving your friends enough to let them change.

Wicked Storm Candace Osmond, Rebecca Hamilton, 2025-03-26 In the shadows of love and betrayal and shadows, Lydia Laveau races against time and dark magic. Marked as a criminal by the very world she vowed to protect, Lydia Laveau leaves behind the comforts of Arcane Academy. Now on the run, Lydia and her friends find themselves hiding in the mundane realm, trying to stay one step ahead of the Midnight Circle and the High Council that hunt them relentlessly. In abandoned houses and hidden sanctuaries, Lydia and Anson cling to their love, a fleeting solace from the weight of their burdens. But with each move, they risk everything: their lives, love, and the future of magic itself. As Lydia's fight draws her deeper into a web of family secrets, ancient magic, and the perilous search for a relic that could change the fate of the Red Witches forever, she's haunted by the choices that lie before her, where she must walk a rocky path of loyalty, power, and sacrifice. Will her determination and new alliances be enough to outwit her foes and secure the future of her kind? Or will the storm brewing within her tear apart everything she holds dear? Beyond Early Reading David Waugh,Sally Neaum,2025-02-28 This is an essential text for primary trainees and teachers While the focus in early reading is on systematic synthetic phonics it is important to see the bigger picture and understand that teaching reading is a continuum that involves more much than the mechanics of reading The book focuses on a range of issues to develop children who can read into children who do read including extending reading with proficient readers engaging disengaged readers sustaining interest in reading in the transition from primary to secondary and the importance of oracy in reading Additionally there is an exploration of the wider context of reading including international perspectives new literacies and the importance of reading to personal development Case studies and activities demonstrate practical applications with clear links to the underpinning theory while critical reflections challenge the reader and encourage deeper thought about the chapter content
