examples Create a collaborative cohesive PLC culture Contents Introduction Chapter 1 Overview of the 15 Day Challenge Chapter 2 Identify Standards to Teach for a 15 Day Unit of Study Step 1 Chapter 3 Unpack Standards Step 2 Chapter 4 Prioritize Standards Into Three Categories Step 3 Chapter 5 Create Common Formative Assessments Step 4 Chapter 6 Pace and Design the Unit Step 5 Chapter 7 Plan Tier 2 Intervention and Extension While Pacing and Designing the Unit Step 6 Chapter 8 Teach the Unit and Act On the Data Step 7 Chapter 9 Sustain the Process With a Yearlong and Beyond Pacing Guide Epilogue Appendix Sample 15 Day Challenge Unit Plans References and Resources Index Pose, Wobble, Flow

Antero Garcia, Cindy O'Donnell-Allen, 2015 This book proposes a pedagogical model called Pose Wobble Flow to encapsulate the challenge of teaching and the process of growing as an educator who questions existing inequities in schooling and society and frames teaching around a commitment to changing them The authors provide six different culturally proactive teaching stances or poses that secondary ELA teachers can use to meet the needs of all students whether they are historically marginalized or privileged They describe how teachers can expect to wobble as they adapt instruction to the needs of their students while also incorporating new insights about their own cultural positionality and preconceptions about teaching Teachers are encouraged to recognize this flexibility as a positive process or flow that can be used to address challenges and adopt ambitious teaching strategies like those depicted in this book Each chapter highlights a particular pose describes how to work through common wobbles incorporates teacher voices and provides questions for further discussion Pose Wobble Flow presents a promising framework for disrupting the pervasive myth that there is one set of surefire culturally neutral best practices Book Features A structure for career long growth for ELA teachers including ways to adapt pedagogy from one year to the next A focus on culturally proactive positions within ELA classrooms to ensure criticality in how we teach and how we advocate for the teaching profession Six different poses that are standards aligned critical and expand the possibilities of what takes place in school Guidelines for creating original poses beyond the scope of the book discussion questions for courses and resources for classroom teachers In Pose Wobble Flow Garcia and O'Donnell Allen remind all of us that teaching is not about following directions it's about listening to our students and paying attention to the social forces that shape their lives about learning how to navigate department school district and federal rules to benefit our students so we can keep a job while we continue to honor our core beliefs about education Linda Christensen Director Oregon Writing Project Lewis Clark College Antero Garcia and Cindy O'Donnell Allen have written a book about teaching that I've been hoping someone would write They deftly provide a clear and insightful framework from which any thoughtful teacher can build a vital practice while also inserting a wealth of examples to ground the framework in working classrooms It is a must have for preservice and inservice teachers who care about their teaching Bob Fecho Professor and Department Head University of Georgia Write Choices Sue Hertz, 2015-03-18 Write Choices Elements of Nonfiction Storytelling helps writers cultivate their nonfiction storytelling skills by exploring the decisions all writers confront when crafting factual

narratives Sue Hertz focuses on examining the common choices all true storytellers encounter whether they are writing memoirs literary journalism personal essays or travel essays And since today s writers are no longer confined to paper Write Choices also includes digital storytelling options and advice on how writers can employ technology to enhance their narratives Key Features Challenging Choices boxes in each chapter highlight how writers have decided to proceed at a particularly difficult juncture in their writing process Web Choices sections in each chapter detail the decisions involved in creating additional multimedia to complement prose narratives Try Tim writing exercises throughout the text provide opportunities for readers to apply and explore writing strategies presented in each chapter Content gleaned from interviews with over 60 nonfiction storytellers exposes readers to established writers and editors representing all styles of nonfiction writing Book jacket [Girls on Fire](#) Sarah Hentges,2018-04-18 Under the threat of climate change corruption inequality and injustice Americans may feel they are living in a dystopian novel come to life Like many American narratives dystopian stories often focus on males as the agents of social change With a focus on the intersections of race gender class sexuality and power the author analyzes the themes issues and characters in young adult YA dystopian fiction featuring female protagonists the Girls on Fire who inspire progressive transformation for the future **Library Youth Outreach** Kerol Harrod,2014-01-21 With tightened library budgets the norm librarians run the risk of cutting back so much that they isolate themselves from their patrons and their communities This doesn t have to happen The outreach methods detailed in this book range from simple actions to detailed processes Each of the 26 chapters provides helpful information for both those new to library outreach and those with years of experience *The Quick-Start Library Guide* Kelly Mayfield,Amy O. Milstead,2025-09-04 Helps paraprofessionals and new school librarians begin their first school year with confidence New librarians and paraprofessionals often come to school library positions with little or no experience in library work and there s a gap in instructional information available for those who want to quickly increase their skill level This book helps professionals and paraprofessionals learn what they need to know to get started as well as pointing them to additional resources in areas where they might want more advanced information This practical guide teaches librarians and paraprofessionals to develop systems and create plans for programs and partnerships with teachers and other professionals to set them up for success during their first year in the library A timeline helps map out the rhythm of a school year The Quick Start Library Guide introduces paraprofessionals to library science topics such as cataloging collection development and weeding It covers topics specific to the school library such as reading levels book fairs and author visits Each section includes suggested resources for more in depth learning Librarians and paraprofessionals will be able to use this valuable straightforward guide to hit the ground running in their new role **Social Media Marketing for Book Publishers** Miriam J.
