Empowering Indian Women Through Resilience Abha Singh,Rahul

Bhadouria,Sachchidanand Tripathi,Ritu Modi,Shashidhar Gupta,2025-02-24 The book examines various aspects of women empowerment in South Asia particularly in India The term empowerment refers to women s liberation from social economic restraints of reliance Women worldwide actively work as leaders and establish new dimensions in all fields Yet in India although women comprise around 50% of India s population most stay economically dependent and in most Indian villages and towns women are still denied fundamental education After more than 75 years of independence as a country we need to take a long overdue in depth look at empowering women in India and how women empowerment should be a powerful tool

for national development This book aims to discuss the empowerment of women through examining the social and personal challenges faced by women as well as evaluating areas such as gender discrimination education opportunity and employment opportunity
