Li,Brendan Lewis,2021-11-29 This book is the first to systematically map the last step of the foreign investor s journey usually referred to as post investment aftercare or business retention and expansion It provides a wide range of approaches and strategies for host economies to better retain foreign

investors encourage follow on expansions and achieve greater local economic embeddedness through a multi stakeholder dialogue leading to improvement of the overall business climate Global foreign direct investments reached US 1.5 trillion in 2019 but this figure reduced by over 42% in 2020 due to the pandemic Against this backdrop retaining established investors became even more important Numerous organisations all over the world are dedicated to attracting foreign companies to invest in their markets Facilitating this effort is a dynamic and competitive industry that involves international organisations supporting capacity building think tanks academia and consultants However once foreign companies decide to invest a critical question arises how can host economies grow and retain these foreign investments Many host governments could do much better as there is very little post investment support for these foreign companies to help them grow their businesses throughout different stages of investment business and economic cycles This is where aftercare comes in In this book the authors include diverse examples from around the world to demonstrate aftercare best practices in action This book is an essential read for all public administration staff related to FDI attraction and promotion practitioners in the private sector and FDI consultants It will also be of great interest to multilateral organisations seeking to organise seminars and training courses for capacity building The book will also benefit researchers academics and postgraduate students of international relations foreign trade and internationalisation For further information see www.aftercareexplained.com IAS Prelims 2017 Current Affairs ebook Jagran Josh, 2017-06-14 Current Affairs has been proved as a major basis of the IAS Prelims Exam as well as of UPSC IAS Mains Exam and remained invisible in the question paper due to the evolving Pattern of the UPSC IAS Exam The Questions of UPSC IAS Exam are mostly based on the issues happened in the recent period with their orientation towards the background and the causes and effects of the current events in the future This eBook is a comprehensive coverage of the Current Affairs important from the point of view of IAS Prelims and covers the period from July 2016 to May 2017 This e Book is well equipped for the Civil Services Exam and Indian Forest Service Prelims Exam and all the PCS exams Besides the eBook will also be useful for different types of competitive exams like SSC Banking LIC Railway and all other competitive exams This e book is specifically made for the purpose of the IAS Prelims Exam 2016 We tried to ensure that this book filters out the unnecessary information and provides the most authentic and exam oriented current affairs news This book covers the Current Events of National and International Importance with the detailed classification of the events for the ease of searching and understanding This eBook is divided into eleven important sections These sections are National International Economy Environment and Ecology News from States Discussion and Analysis All the sections covered provide the detailed description of the news and events that made headlines Representation of verified facts and figures along with fine tuned analysis and comment makes the events easy to understand and perceive The aspirants of competitive exams will definitely be benefitted by the content of the eBook Key Points The current affairs question bank has comprehensive coverage of important events happened during the whole year The study material is very helpful for selective and smart

study during the last leg of IAS preparation and it will help to save precious time for other subjects The current affairs study material follows the latest and trending approaches of asking questions in IAS Prelims Exam The study material current affairs for IAS consists of 700 important questions related to social political economic environmental and cultural events that took place in India and around the world from the month of August 2016 onwards until today Every current affair quiz has in depth explanation will help IAS aspirants to understand the related topics in detail Overall after solving current affairs quizzes the IAS aspirants will be in a position to assess their own level of IAS preparation
