Novel Witchcraft Academy:

The Witch of Turlingham Academy Ellie Boswell, 2012 It's not easy being the only day girl at Turlingham Academy Sophie misses out on all the midnight feasts and late night gossip And when new girl Katy turns up it feels like she's bewitching all of Sophie's friends Katy's no witch but there is a witch at Turlingham **Witch School** Katrina Kahler, 2016-09-03 A great book for girls 9-12 Witch School Book 2 continues the story Charlotte and all her friends at Miss Moffat's Academy for Refined Young Witches Margaret takes revenge on Charlotte before she disappears from the school and puts Charlotte into a dangerous and frightening situation The girls train hard for their inter school competition against Witchery College and on the day discover that the girls from the bad witch school definitely do not share their values and belief in fair play The School Ball with the students from the Wizard's School is a highlight in the school calendar The girls meet some wonderful guys and have an interesting night School lessons continue with Mistress Zara who is the fortune telling teacher However some of the girls are not impressed with her visions If you are a girl aged 9-12 and like reading about friendship and witches then you'll love this story Bonded Kate A Fox, 2021-06-25 I've been pulled from the only home I've ever known I've been called the Queen of Freaks I've been attacked and killed Yes I know how that sounds I've been forced into hiding captured and imprisoned but by far the worst thing the thing that tops all that is being told that I have to fight the sister I didn't know I had I know what you're thinking Siblings fight all the time right Well not like this When you find out you are a magical twin all the normal family rules fly out of the window One of us won't make it out alive Meanwhile my sister has been training for this day all her life while I just found out a couple of weeks ago that I have a twin and we're meant to kill each other But Celestria doesn't plan to make things easy on me and my father is on her side With my family and friends risking their lives to save me I only have a few days to train and learn everything I can to survive Wish me luck **Undercover Witch Academy** Rachel Medhurst, 2019-12-13 One culprit down a whole institute to go Finally free from the burden of being blamed for draining witches I find myself in another spot of bother The institute is coming for me Hard Apparently as an Illusionist witch with an unusual talent I've attracted the attention of a powerful yet illegal institute who want to harness my power to fight against the humans My new family from the academy will do anything to stop them getting to me even if it means an attack on the very place I now call home and school Can I defeat the institute before any of my friends are hurt Or will they be taken down with me This is the last instalment in the Undercover Witch Academy **Buffy Conquers the Academy** U. Melissa Anyiwo, Karoline Szatek-Tudor, 2014-07-24 Buffy Conquers the Academy represents the cusp of pioneering research into a television show that has inspired a wealth of academic study since its cancellation in 2003 As a reflection of the current obsession with all things vampiric this text offers an alternative perspective on the vampire myth from the point of view of scholars in the field and thereby celebrates the continuing existence of Buffy Studies as an endlessly fruitful academic discipline that is truly global and interdisciplinary The Associations of Popular Culture and American Culture PCA ACA have a

tradition of encouraging growth in intellectual inquiry and the acceptance of Buffy Studies as a subgenre of the Vampire area in 2008 reflected the belief in this globally recognized sustainable discipline In this volume Buffyologists delve into the intricate world of Sunnydale from multiple perspectives that cut across all academic disciplines ranging from gender sexuality to religion making this collection an excellent reflection of the current body of work under the umbrella of Buffy Studies
