Real-World Media Ethics Philippe Perebinosoff, 2012-07-26 The Los Angeles Times recently reported that the word integrity was the most looked up word on Merriam Webster's online dictionary suggesting that people are looking for guidance in a scandal driven world. Issues of ethics and the media continue to dominate our awareness and present real challenges in our day to day work. This book shows the ethical decision making process in action using tools of critical analysis and evaluation. Real World Media Ethics is written in a friendly and approachable voice. It succeeds in offering an honest frontline aware and realistic sense of the ethical situations faced by entertainment and journalism professionals every day in the real world. Most of the other books about media ethics focus mostly on journalism; this book however covers not just journalistic ethics but also ethics in the landscape of mass media including public relations, the entertainment industry and other forms of visual communication. The author includes numerous case studies about current headlines that readers will already be familiar with, providing realistic and engaging scenarios about when, how and why ethics count. **Work Like A Creator, Earn Like CEO. Structure, Focus, Leverage For Growth** Ahmed Musa, 2025-05-30 Here's the hard truth nobody tells you. Most creators are broke. Drowning in to do lists chasing likes burning out faster than a matchstick in a hurricane. Why? Because they've got the talent but not the structure. The grind but not the leverage. That ends now. Work Like A Creator Earn Like A CEO is the kick in the ass blueprint to stop acting like a starving artist and start building like a strategic ruthless money making machine. This book hands you the unsexy secrets behind focus that scales systems that free you and leverage that multiplies your results without multiplying your hours. You'll learn how to structure your days like a Navy SEAL, create like a mad genius and cash out like a cold blooded CEO who knows exactly what their time is worth. Inside we break down how to turn your content into cash, your ideas into assets and your effort into equity. No fluff. No hustle porn. Just sharp actionable tactics you can plug in today to build momentum, build income and build a legacy. So if you're sick of creating like a hamster on a wheel and ready to run your life, your brand and your business like a true boss, this book is your unfair advantage. Read it. Implement it. Own your time. Stack your wins. Because it's time you earned like the value you bring.
