Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on

contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries [Advanced English Short Stories E-book + Audiobook](#) Camille Hanson, 30 Short Stories Written For Advanced English Learners with FREE Audiobook Advanced English Short Stories is a book of Advanced level English short stories Most of them are 300 400 words and written with real life English words and phrases Learning Advanced English through short stories is an natural way to advance in your English learning journey You will naturally learn vocabulary and grammar such as sentence structure and prepositions all while you read or listen to each story BOOST YOUR COMPREHENSION 10 QUESTIONS PER STORY At the end of each story there are 10 multiple choice questions Answers to the questions can be found at the back of the book LEARN REAL LIFE ENGLISH PHRASES AND KEYWORDS At the end of each story you will learn some new English keywords featured in the story with a simple definition explanation FREE AUDIOBOOK FOR LISTENING COMPREHENSION Inside the book you will also find a QR code and link to the free audio Camille has read the audio of each story clearly Follow along with her reading and improve your English listening skills too TAKE ADVANTAGE OF THIS ENGLISH LEARNING TOOL Read the stories as many times as you would like Use the note section in the back of the book to practice writing your own short stories in English Invest in your English today Happy learning Camille *Filterworld* Kyle Chayka, 2025-01-21 From New Yorker staff writer and author of *The Longing for Less* Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we've grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called *Filterworld* Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But

to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In Filterworld Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question Filterworld argues yes but to escape Filterworld and even transcend it we must first understand it The Uncensored History of Books Conrad Riker,

Stories from the Front Line: The People Behind the NHS Headlines Yvonne Bennett, Christina Stead, 2025-01-07
NHS Scotland appears to be in crisis Today the British media is full of headlines such as 89 year old great grandmother waits 5 hours for an ambulance These are a talking point for a day or two and then another headline of a similar ilk takes over This

book examines the traumatic experiences of the elderly people whose stories make up these headlines The authors have carried out research into the effects of long waiting times for ambulances and the problems that NHS Scotland is facing through chronic staff shortages The waits and the limitations to patient care have long term implications for the patients the relatives and the staff Throughout the book we discuss iatrogenic disease harm that is occurring daily for patients visitors and staff The book concentrates on the new Glasgow hospital The Queen Elizabeth University Hospital which opened its doors in 2015 This is one of the largest hospitals in Europe and replaces 5 older Glasgow hospitals and has been beset by major problems since its opening By interviewing relatives and staff the authors have examined their experiences both during and following a traumatic event Themes found throughout the book include poor communication trauma low staff morale suicide and the problems caused by the size and design of the hospital The authors have also analysed statistics from NHS Scotland and Scottish Ambulance Service regarding waiting times and the use of agency staff The overarching goal of this book was to give a voice to those behind the statistics

Ink of Blood: The Secret Lives of Banned Books Mark E. Jemy, 2025-10-07 Ink of Blood is an investigation into the world of banned books exploring not just why books are censored but what happens to them and society afterward It examines the concept of a dangerous idea from its power to create an emotional reckoning like Uncle Tom's Cabin to its ability to reflect uncomfortable truths like The Handmaid's Tale The book delves into the mindset of the censor who is often driven by a sense of moral righteousness and a fear of contagion It also chronicles the secret life of banned literature from the hand typed samizdat of the Soviet Union to the modern day unburnable library of digital archives and QR codes Ultimately the book is a summons for readers to become active defenders of intellectual freedom by embracing difficult and challenging books as a moral and civic imperative
