The Other in the School Stories Ulrike Pesold, 2017-03-27 In *The Other in the School Stories A Phenomenon in British Children's Literature* Ulrike Pesold examines the portrayal of class gender race and ethnicity in selected school stories and shows how the treatment of the Other develops over a period of a century and a half The study also highlights the transition from the traditional school story to the witch school story that by now has become a subgenre of its own The school stories that are analysed include selected works by Thomas Hughes Rudyard Kipling Enid Blyton and J K Rowling *Ember Academy for Young Witches: Books 1-6* L.C. Mawson, 2021-09-10 Ancient curses Blocked memories And an Academy for young witches that might just hold the answers I should have known something was wrong when my weird aunt arrived in town just as I started getting killer headaches But how was I supposed to know that it was a sign of repressed magic Or that an ancient witch had escaped her tomb and sent demons after me Demons who cursed my mother I wanted to stay with her even if she wouldn't wake but I was sent to Ember Academy for Young Witches instead Somewhere the demons hopefully can't get me I need to find a way to lift the curse but there's a block on both my magic and memories that everyone is refusing to lift A block that might hold the answers as to why an ancient witch is after me in the first place If I can figure her out maybe I can figure out this curse My teachers don't want me digging into it worried about the danger But I don't care My mother was cursed because of me and I'm not going to rest until she's safe again *Ember Academy for Young Witches Books 1-6* collects together all six books in the *Ember Academy for Young Witches YA Urban Fantasy Academy* series If you love kick ass heroines Sapphic slow burn romances and magical boarding schools you'll love this latest fast paced series in L C Mawson's Snowverse
