Sweetback Super Fly Audiences Chicagos:

From SWEETBACK to SUPER FLY Gerald R. Butters, 2016-01-31 Racial politics and capitalism found a way to blend together in 1970s Chicago in the form of movie theaters targeted specifically toward African Americans In *From Sweetback to Super Fly* Gerald Butters examines the movie theaters in Chicago's Loop that became as he describes them black spaces during the early 1970s with theater managers making an effort to gear their showings toward the African American community by using black themed and blaxploitation films Butters covers the wide range of issues that influenced the theaters from changing racial patterns to the increasingly decrepit state of Chicago's inner city and the pressure on businesses and politicians alike to breathe life into the dying area Through his extensive research Butters provides an in depth look at this phenomenon delving into an area that has not previously been explored His close examination of how black themed films were marketed and how theaters showing these films tried to draw in crowds sheds light on race issues both from an industrial standpoint on the side of the theaters and movie producers as well as from a cultural standpoint on the side of the moviegoers and the city of Chicago as a whole Butters provides a wealth of information on a very interesting yet underexamined part of history making *From Sweetback to Super Fly* a supremely enjoyable and informative book

Welcome to Fear City Nathan Holmes, 2018-09-26 2019 CHOICE Outstanding Academic Title The early 1970s were a moment of transformation for both the American city and its cinema As intensified suburbanization racial division deindustrialization and decaying infrastructure cast the future of the city in doubt detective films blaxploitation police procedurals and heist films confronted spectators with contemporary scenes from urban streets *Welcome to Fear City* argues that the location shot crime films of the 1970s were part of a larger cultural ambivalence felt toward urban life evident in popular magazines architectural discourse urban sociology and visual culture Yet they also helped to reinvigorate the city as a site of variegated experience and a positively disordered public life in stark contrast to the socially homogenous and spatially ordered suburbs Discussing the design of parking garages and street lighting the dynamics of mugging panoramas of ruin and the optics of undercover police operations in such films as *Klute* *The French Connection* *Detroit 9000* *Death Wish* and *The Taking of Pelham One Two Three* Nathan Holmes demonstrates that crime genres did not simply mirror urban settings and social realities but actively produced and circulated new ideas about the shifting surfaces of public culture

Smith-Shomade,2024-10-11 Using a media studies lens of television film music and digital culture Finding God in All the Black Places argues that Black spirituality and church religiosity bolster audiences understanding of and cultural competence with Black popular culture *Pleading the Blood* Christopher Sieving,2022-02 The definitive look at one of the most important Black art films and original filmmakers of the 1970s Bill Gunn s Ganja Hess 1973 has across the decades attained a sizable cult following among African American cinema devotees art house aficionados and horror fans thanks to its formal complexity and rich allegory Pleading the Blood is the first full length study of this cult classic Ganja Hess was withdrawn almost immediately after its New York premiere by its distributor because Gunn s poetic re fashioning of the vampire genre allegedly failed to satisfy the firm s desire for a by the numbers blaxploitation horror flick for quick sell off in the urban market Its current status as one of the classic works of African American cinema has recently been confirmed by the Blu ray release of its restored version by its continued success in screenings at repertory houses museums and universities and by an official remake Da Sweet Blood of Jesus 2014 directed by Spike Lee one of the original picture s longtime champions Pleading the Blood draws on Gunn s archived papers screenplay drafts and storyboards as well as interviews with the living major creative participants to offer a comprehensive absorbing account of the influential movie and its highly original filmmaker **Early Race Filmmaking in America** Barbara Lupack,2016-05-26 The early years of the twentieth century were a formative time in the long history of struggle for black representation More than any other medium movies reflected the tremendous changes occurring in American society Unfortunately since they drew heavily on the nineteenth century theatrical conventions of blackface minstrelsy and the Uncle Tom Show traditions early pictures persisted in casting blacks in demeaning and outrageous caricatures that marginalized and burlesqued them and emphasized their comic or servile behavior By contrast race films that is movies that were black cast black oriented and viewed primarily by black audiences in segregated theaters attempted to counter the crude stereotyping and regressive representations by presenting more authentic racial portrayals This volume examines race filmmaking from numerous perspectives By reanimating a critical but neglected period of early cinema the years between the turn of the century and 1930 the end of the silent film era it provides a fascinating look at the efforts of early race film pioneers and offers a vibrant portrait of race and racial representation in American film and culture *"Baad Bitches" and Sassy Supermamas* Stephane Dunn,2010-10-01 Blaxploitation action narratives as well as politically radical films like Sweet Sweetback s Baadasssss Song typically portrayed black women as trifling bitches compared to the supermacho black male heroes But starting in 1973 the emergence of baad bitches and sassy supermamas reversed the trend as self assured empowered and tough black women

took the lead in the films *Cleopatra Jones Coffy* and *Foxy Brown* Stephane Dunn unpacks the intersecting racial sexual and gender politics underlying the representations of racialized bodies masculinities and femininities in early 1970s black action films with particular focus on the representation of black femininity Recognizing a distinct moment in the history of African American representation in popular cinema Dunn analyzes how it emerged from a radical political era influenced by the Black Power movement and feminism Dunn also engages blaxploitation's legacy in contemporary hip hop culture as suggested by the music's disturbing gender politics and the baad bitch daughters of Foxy Brown and Cleopatra Jones rappers Foxy Brown and Lil Kim
