The Swinger Michael Bamberger, Alan Shipnuck, 2012-04-03 A wickedly funny novel that takes us inside the epic rise collapse and comeback of golfing icon Tree Tremont

The Swinger Agreement with the Neighbor Next Door Andini Citra, 2025-07-30 A marriage is like a garden Jennifer If you do not water it if you do not tend to it the flowers will wither and die And if you do not add new soil new excitement it will grow barren Silence is for tombs no Dinner Across the Hall I am going to kiss you now Jennifer he said his voice a low hypnotic murmur And if you want me to stop you just have to say the word At any point tonight you say the word and it stops Do you understand My Weekend Husband In a sun drenched New York City loft where the silence is as expensive and polished as the minimalist furniture Jennifer and David lead lives of quiet beautiful desperation Their marriage is a masterpiece of modern success a carefully curated image with a hollow core They possess a world of achievements but have lost the map to each other s bodies speaking a language of logistics and routine where a dialect of desire once flourished They are perfect strangers sharing a bed each privately starving for a touch that feels less

like a memory and more like a necessity But life in all its messy vibrant and unapologetic glory moves in right across the hall Maria and Jose are a whirlwind of sound and sensation Their laughter echoes in the corridor their arguments are punctuated by the passionate slamming of doors and their touches casual possessive and constant are a public display of a fire Jennifer and David thought had long since turned to ash The new neighbors are not just a curiosity they are a mirror reflecting every crack in the flawless facade of the marriage in apartment 4A An innocent invitation for drinks becomes the catalyst for a proposition that is as terrifying as it is intoxicating Over glasses of deep red wine in a living room that hums with a warmth and life their own home lacks an idea is presented It is not a crude offer but a modern solution whispered with unnerving sincerity a formal agreement to solve a very primal problem For Jennifer whose skin has forgotten the feeling of a wanting hand and for David who mistakes control for happiness the proposal lands with the force of a physical blow igniting a terrifying spark of hope in the desolate landscape of their desire What begins as a structured weekend exchange soon unravels into a fever dream of discovery and transgression The rules so clearly defined begin to blur with every stolen glance in the elevator every secret text that lights up a phone in the dead of night In another man's arms Jennifer awakens a fierce demanding part of herself she never knew existed while David is forced to confront a raw aggressive passion that both shatters and rebuilds his sense of self The lines of the agreement dissolve into a chaotic and thrilling landscape of jealousy possession and a dark new intimacy they never anticipated forging with their own spouses The agreement was meant to be a temporary escape a controlled experiment in a sterile lab But they didn't just break the rules they incinerated the rulebook Now bound by secrets that are as shameful as they are electrifying the two couples must navigate the wreckage of what they've unleashed For when you trade vows for weekends and polite silence for brutal honesty the act of walking back across the hall becomes the most dangerous journey of all and the price of returning home might be your very soul

Il Your Nights Book Four Kade Taylor likes living on the edge. As an undercover agent for the DEA and a former Special Ops team member, his current assignment seems tame: keep tabs on a bookish Ph.D. candidate the agency believes is connected to a ruthless drug cartel. Brooke Sinclair is weeks away from obtaining her goal of a doctoral degree. She spends time finalizing her presentation and relaxing with another student who seems to want nothing more than her friendship. That's fine with Brooke. Her last serious relationship ended in a broken engagement. Her future is set, safe and secure, just as she's always planned, until Agent Taylor informs her she's under suspicion for illegal drug activities. Kade and his DEA team obtain evidence exonerating Brooke while placing her in danger from those who sought to use her. As Kade races to take down the drug cartel while protecting Brooke, he must also find common ground with the former suspect, a woman he desires with increasing intensity. At odds with her better judgment, Brooke finds the more time she spends with Kade, the more she's attracted to the complex, multi-faceted agent. But Kade holds secrets he knows Brooke will never understand or accept. Can Kade keep Brooke safe while coming to terms with his past, or will he stay silent, ruining any future with the woman his heart can't let go?

Always Love You Book Five Eric Sinclair loves his bachelor status. His work at MacLaren Enterprises leaves him with plenty of time to ride his horse as well as his Harley and date beautiful women without a thought to commitment. Amber Anderson is the new person at MacLaren Enterprises. Her passion for marketing landed her what she believes to be the perfect job, until she steps into her first meeting to find the man she left but still loves sitting at the management table. His disdain for her clears Eric; he won't allow the past to taint his professional behavior, nor will he repeat his mistakes with Amber, even though love for her pulses through him as strong as ever. As they strive to mold a working relationship, unexpected danger confronts those close to them, pitting the MacLarens and Sinclairs against an evil who stalks one member but threatens them all. Eric can't get the memories of their passionate past out of his mind while Amber wrestles with feelings she thought long buried. Will they be able to put the past behind them to reclaim the love lost years before?

Hearts Don't Lie Book Six Mitch MacLaren has reasons for avoiding relationships, and in his opinion, they're pretty darn good. As the new president of RTC Bucking Bulls, difficult challenges occur daily. He certainly doesn't need another one in the form of a fiery blue-eyed redhead. Dana Ballard's new job forces her to work with the one MacLaren who can't seem to get over himself and lighten up. Their verbal sparring is second nature and entertaining until the night of Mitch's departure, when he surprises her with a dare she doesn't refuse. With his assignment in Fire Mountain over, Mitch is free to return to Montana and run the business his father helped start. The glitch in his enthusiasm has to do with one irreversible mistake: the dare Dana didn't ignore. Now, for reasons that confound him, he just can't let it go. Working together is a circumstance neither wants, but both must accept. As their attraction grows, so do the accidents and strange illnesses of the animals. RTC depends on him to stay in business. Mitch's total focus should be on finding the reasons and people behind the incidents. Instead, he finds himself torn between his unwanted desire for Dana and the business, which is his life. In

his mind a simple proposition can solve one problem Will Dana make the smart move and walk away Or take the gamble and expose her heart **The Complete Book of Dodge and Plymouth Muscle Cars** Mike Mueller,Tom Glatch,2024-06-18
