SWINGIN' AT THE SAVOY

THE MEMOIR OF A JAZZ DANCER

Swingin At The Savoy

Henry T. Sampson

Swingin At The Savoy:

Swingin' at the Savoy Norma Miller, Evette Jensen, 2001-04-26 It was a time when the music was Swing and Harlem was king. Renowned as the world's most beautiful ballroom and the largest and most elegant in Harlem, the Savoy was the only ballroom not segregated when it opened in 1926. The Savoy hosted the best bands and attracted the best dancers by offering the challenge of fierce competition. White people traveled uptown to learn exciting new dance styles. A dance contest winner by 14, Norma Miller became a member of Herbert White's Lindy Hoppers and a celebrated Savoy Ballroom Lindy Hop champion. *Swingin' at the Savoy* chronicles a significant period in American cultural history and race relations as it glorifies the home of the Lindy Hop and the birthplace of such memorable dance fads as the Big Apple Shag, Truckin', Peckin', Susie Q, the Charleston, Peabody, Black Bottom, Cake Walk, Boogie Woogie, Shimmy and tap dancing. Ballroom, Boogie, Shimmy Sham, Shake Julie Malnig, 2023-01-10 This dynamic collection documents the rich and varied history of social dance and the multiple styles it has generated while drawing on some of the most current forms of critical and theoretical inquiry. The essays cover different historical periods and styles encompass regional influences from North and South America, Britain, Europe, and Africa and emphasize a variety of methodological approaches including ethnography, anthropology, gender studies, and critical race theory. While social dance is defined primarily as dance performed by the public in ballrooms, clubs, dance halls, and other meeting spots, contributors also examine social dance's symbiotic relationship with popular theatrical stage dance forms. Contributors are Elizabeth Aldrich, Barbara Cohen, Stratyner Yvonne, Daniel Sherril, Dodds Lisa, Doolittle David F, Garc a Nadine, George Graves, Jurretta Jordan, Heckscher Constance, Valis Hill, Karen W Hubbard, Tim Lawrence, Julie Malnig, Carol Martin, Juliet McMains, Terry Monaghan, Halifu Osumare, Sally R Sommer, May Gwin, Waggoner Tim, Wall and Christina Zanfagna. Frankie Manning Frankie Manning, Cynthia R. Millman, 2007 In the early days of swing dancing, Frankie Manning stood out for his moves and his innovative routines. He created the air step in the Lindy hop, a dance that took the U.S. and then the world by storm. In this fascinating autobiography, choreographer and Tony Award winner Black and Blue Frankie Manning recalls how his first years of dancing as a teenager at Harlem's Savoy Ballroom led to his becoming chief choreographer and a lead dancer for Whitey's Lindy Hoppers, a group that appeared on Broadway in Hollywood musicals and on stages around the globe. Manning brings the Swing Era vividly back to life with his recollections of crowded ballrooms and of Lindy hoppers trying to outdo each other in spectacular performances. His memories of the many headliners and film stars as well as uncelebrated dancers with whom he shared the stage create a unique portrait of an era in which African American performers enjoyed the spotlight if not a star's prerogatives and salary. With collaborator Cynthia Millman, Manning traces the evolution of swing dancing from its early days in Harlem through the post-World War II period until it was eclipsed by rock n roll and then disco. When swing made a comeback, Manning's 30-year hiatus ended. He has been performing, choreographing, and teaching ever since. **Swingin' the Dream** Lewis A. Erenberg, 1999-09-08 During the

1930s swing bands combined jazz and popular music to create large scale dreams for the Depression generation capturing the imagination of America's young people. Music critics and the music business. *Swingin the Dream* explores that world looking at the racial mixing up and musical swinging out that shook the nation and has kept people dancing ever since. *Swingin the Dream* is an intelligent provocative study of the big band era chiefly during its golden hours in the 1930s not merely does Lewis A Erenberg give the music its full due but he places it in a larger context and makes for the most part a plausible case for its importance. Jonathan Yardley Washington Post Book World An absorbing read for fans and an insightful view of the impact of an important homegrown art form. Publishers Weekly A fascinating celebration of the decade or so in which American popular music basked in the sunlight of a seemingly endless high noon. Tony Russell Times Literary Supplement

Swingin' on the Ether Waves Henry T. Sampson, 2005 This is the first book to fully document the historical contributions of African Americans to broadcasting in the United States from the beginning of commercial broadcasting in 1925 to the age of television in 1955. This work fills a void that has only been marginally covered by previous books on the history of American broadcasting. This two volume work covers the radio and television appearances of African Americans documents the impact of their unique and popular entertainment styles on network radio programming describes how racial discrimination and prejudice limited the opportunities of African American performers to receive full financial compensation unlike many others who gained radio and television fame and fortune by emulating them includes graphs and statistical data of African American radio programming contains nearly 250 rare black and white photographs includes an alphabetical listing of relevant radio programs including date cast and broadcasting station call letters presents scripts of several network shows such as Amos and Andy. Chapters are arranged chronologically and each is introduced by a brief essay that summarizes the key events of the period followed by articles from the African American press and other entertainment publications

Jumping the Color Line Susie Trenka, 2021-02-02 From the first synchronized sound films of the late 1920s through the end of World War II African American music and dance styles were ubiquitous in films. Black performers however were marginalized mostly limited to appearing in specialty acts and various types of short films whereas stardom was reserved for Whites. *Jumping the Color Line* discusses vernacular jazz dance in film as a focal point of American race relations. Looking at intersections of race gender and class the book examines how the racialized and gendered body in film performs challenges and negotiates identities and stereotypes. Arguing for the transformative and subversive potential of jazz dance performance onscreen the six chapters address a variety of films and performers including many that have received little attention to date. Topics include Hollywood's first Black female star Nina Mae McKinney male tap dance class acts in Black cast short films of the early 1930s the film career of Black tap soloist Jeni LeGon the role of dance in the Soundies jukebox shorts of the 1940s cinematic images of the Lindy hop and a series of teen films from the early 1940s that appealed primarily to young White fans of swing culture. With a majority of examples taken from marginal film forms such as shorts and B movies

the book highlights their role in disseminating alternative images of racial and gender identities as embodied by dancers images that were at least partly at odds with those typically found in major Hollywood productions The Girl in the Jitterbug Dress Hops the Atlantic Tam Francis,2023-05-17 Fall in Love on the Dance Floor The Girl in the Jitterbug Dress Hops the Atlantic continues the story of two women from two different eras confronting life altering choices about love marriage birth and death contrasted by 1940 s Vegas glamour and the seductive thrill of hopping across Europe When vintage fashionista Rose sews dissension between June and James June is driven to choose between the security of her family friends and swing scene or run off with an international swing boy Will the handsome Swede turn June s head with an offer to teach Jitterbug across Europe And is he really the sparkling Lindy Hop star he claimed to be when he twirled her around the historic Catalina ballroom Return to Violet s world of big band jazz seedy nightclubs and WWII Follow her through 1940 s Los Angeles and early wartime Vegas when she transformed herself into a jazzy songbird Will the truth about the murder the mob and her murky history undo her rekindled relationship with her lost Jitterbug love and newfound family And will Violet Charles and June finally confirm a biological connection *Swingin' The Blues - The Virtuosity of Eddie Durham* Topsy M.
