Sweet Nothing A Novel:

Sweet Nothing Jamie McGuire, Teresa Mummert, 2015 It is enough to break any man watching what could have been my future slip away before it was ever in my grasp The possibility of losing someone I loved before she was even mine is something I never would have imagined certainly nothing I'd ever wish on anyone I went to her every day and waited Waited for the impossible for a sign for her to look at me hoping sinners are granted miracles too Just one glimpse of him was all it took In the next lane at a stop light was the man I would fall in love with and marry People talk about love that takes time the kind you fall in to We were more like a crash and burn When our lives intertwined I knew I would never be the same He was the man I would cherish the rest of my life who would father my children In an instant our life together began and in an instant it would end The late nights the excuses the lies And in the blink of an eye it was like we never were *J.
