The Trapeze Swinger Dr. Anthony Megna, 2025-10-24 The Trapeze Swinger is a dramatic satire on the joke of death The book has three concurrent stories The first experiences of lovers and sojourners from old time the second is the current state of affairs and the Great War and the third are the revelations and mystical trances of an enlightened Divine Self The Brahman All things over many lifetimes all happening at once Troubadours as they were The oldest of all tales A prince was born I'm on a great journey and I seek a great master The story goes back about 1400 Let me tell you about heartache and the loss of God The blues ain't nothing but a good man feeling bad Return to the forest for ten days in absolute silence alone Today brings union with God and inner perfection For God's sake realize the beauty of sound philosophy mathematics horse riding uh theoretical physics art poetry hummingbirds music and the beauty of a final sunrise Draw your swords It's the fall of Rome Those annual games Distracting The Republic Never mind the smut We have to keep the program going Tune in next week to Box News to find out what happens The death of Mr Rump Takes a sip of beer They shot him back 10 years ago now Then the sheriff walked in Alright boys funs over You're all going to jail Shot through the heart It's classic She loves someone else Life betrays us all and we betray ourselves I used to think about art and now all I think about is money Sittin on the back porch with Grandad talking about paradox A common and probable outcome for an insane person But here we all are Just floating on by Zooming around the sun on this little blue pebble Read til the very end read it aloud in your mind Get a sense of what it's like to have truly gone mad

The Swinger Agreement with the Neighbor Next Door Andini Citra,2025-07-30 A marriage is like a garden Jennifer If you do not water it if you do not tend to it the flowers will wither and die And if you do not add new soil new excitement it will grow barren Silence is for tombs no Dinner Across the Hall I am going to kiss you now Jennifer he said his voice a low hypnotic murmur And if you want me to stop you just have to say the word At any point tonight you say the word and it stops Do you understand My Weekend Husband In a sun drenched New York City loft where the silence is as expensive and polished as the minimalist furniture Jennifer and David lead lives of quiet beautiful desperation Their marriage is a masterpiece of modern success a carefully curated image with a hollow core They possess a world of achievements but have lost the map to each other's bodies speaking a language of logistics and routine where a dialect of desire once flourished They are perfect strangers sharing a bed each privately starving for a touch that feels less like a memory and more like a necessity But life in all its messy vibrant and unapologetic glory moves in right across the hall Maria and Jose are a whirlwind of sound and sensation Their laughter echoes in the corridor their arguments are punctuated by the passionate slamming of doors and their touches casual possessive and constant are a public display of a fire Jennifer and David thought had long since turned to ash The new neighbors are not just a curiosity they are a mirror reflecting every crack in the flawless facade of the marriage in apartment 4A An innocent invitation for drinks becomes the catalyst for a proposition that is as terrifying as it is intoxicating Over glasses of deep red wine in a living room that hums with a warmth and life their own home lacks an idea is presented It is not a crude offer but a modern solution whispered with unnerving sincerity a formal agreement to

solve a very primal problem For Jennifer whose skin has forgotten the feeling of a wanting hand and for David who mistakes control for happiness the proposal lands with the force of a physical blow igniting a terrifying spark of hope in the desolate landscape of their desire What begins as a structured weekend exchange soon unravels into a fever dream of discovery and transgression The rules so clearly defined begin to blur with every stolen glance in the elevator every secret text that lights up a phone in the dead of night In another man's arms Jennifer awakens a fierce demanding part of herself she never knew existed while David is forced to confront a raw aggressive passion that both shatters and rebuilds his sense of self The lines of the agreement dissolve into a chaotic and thrilling landscape of jealousy possession and a dark new intimacy they never anticipated forging with their own spouses The agreement was meant to be a temporary escape a controlled experiment in a sterile lab But they didn't just break the rules they incinerated the rulebook Now bound by secrets that are as shameful as they are electrifying the two couples must navigate the wreckage of what they've unleashed For when you trade vows for weekends and polite silence for brutal honesty the act of walking back across the hall becomes the most dangerous journey of all and the price of returning home might be your very soul
