Swirled Satin Sheets I:

All Swirling and Weaving Douglas Basler, 2025-09-30 Jesus invitation is simple enough Come follow me Matthew 4 19 But both the conditions of our culture and the conditions of our hearts can make following him difficult We need help re tuning our hearts to the good news of Jesus and the often slow ways of God The habit of reading fiction can serve as one of our greatest allies A good book can open our own stories in new ways Reading slows us down It invites us to pay attention to the details of life And following Jesus only happens in the details We can only walk in faith hope and love within the unique circumstances of our lives Inspired by the wisdom and wonder of writers like Wendell Berry James McBride and Marilynne Robinson All Swirling and Weaving models how the reading life can help us see the ways God is at work in our own stories With humor vulnerability and a pastoral heart Douglas Basler weaves together the fruit of reading twelve contemporary novels with Biblical reflection and experiences from his own life and ministry Fiction has the power to renew our Christian imagination in ways other reading does not

Going on Joyce Howard, 2000-12 This is an odyssey of a man moving in two directions It starts with the reality of him on the downtown streets of Los Angeles nearly broken stricken and drinking to keep himself unconscious of what brought him there One night a fellow derelict dies close by and this gives him the incentive to move on but to where Grief and booze having rendered him without words he embarks on a silent journey up the coast of California As he travels he dreads any remembrances of his life as it used to be in England with the woman he loved obsessively and lost but how So as he is going on whether meandering staggering or marching through encounters with patronizing humiliation violence and some unexpected friendship his stubborn hurt mind flashes back to the past reality never go backwards But slowly inevitably the going on and going back come together in an astonishing conclusion In the wild wonderful space of Big Sur amid the beauty of sea and rocks he has to confront the truth of this tender yearning love story

Smoking Jimi Chad Peery, 2009-04 It s 1999 the year we were supposed to party and with Smoking Jimi former rock musician Chad Peery Steppenwolf Bob Welch cooks up one wild 90 s flavored road adventure stuffed with enough sex drugs rock n roll and over the top perversion to satisfy any craving The recipe begins with Brad Wilson a heart broken down on his luck photographer who was once the guitarist and leader of a 70

s band with a single hit record Add to that the crooked manager who disappeared with their money and got the band blacklisted stir in the bassist who is now a monk at a hermitage and then oh so carefully blend in the crazy drummer a recluse living in a mountain cabin bristling with guns and posters Broil these road warriors inside the gilded oven of an obscenely wealthy and highly perverse South American eccentric and you have a full flavored road adventure that starts off like a slow blues and finishes with a full blast volume on 11 head thrashing smash the guitars ending So Bunky the van s ready to roll are you coming
