Generally considered the most difficult part of the Tarot to interpret, they actually represent different characters or personalities that are aspects of ourselves. They also serve as teachers or projections of our own unacknowledged qualities. Two esteemed Tarot scholars unmask the court cards with details not found in any other book. Discover your signifier and your nemesis. Compare the differences among the cards in well-known decks. Match the court cards with the zodiac signs, the Myers Briggs personality types, and the Jungian archetypes.
