Thiselton, 2015 *Essential Doctrine Made Easy* Norman L. Geisler, 2007-08-24 What are the basic doctrines of the Christian faith Essential Doctrine Made Easy pamphlet outlines and explains 14 key beliefs embraced by believers around the world such as Christ s Virgin Birth Atoning Death and Bodily Resurrection This bestselling pamphlet looks at each doctrine and asks two essential questions What Do I Actually Need to Believe What Is At Stake Here Includes a glossary of Christian terms a chart showing how other religious groups treat these essentials and much more Size 8 5x 5 5 unfolds to 38 long Fits inside most Bible covers Christians have many differing opinions regarding how to work out the details of faith but 14 essential doctrines are embraced by all followers of the Christian faith Essential Doctrine Made Easy defines and explains all 14 beliefs including God s Tri unity Christ s Virgin Birth Human Depravity Christ s Deity Christ s Atoning Death Christ s Resurrection doctrine The 14 panel pamphlet reveals the essential doctrines reflected in the earliest Church statements of faith called the creeds as well as beliefs about the inspiration of Scripture and the method of

interpretation A chart shows how other religious groups such as Mormonism and Scientology treat these essentials Written by author theologian Dr Norman L Geisler founder of Southern Evangelical Seminary What are the core teachings of the Bible that have defined Christianity for more than 2 000 years This bestselling pamphlet outlines and explains them God s Unity There is only one God God s Tri unity One God in three Persons Christ s Virgin Birth Human Depravity No one can win God s favor by their own efforts Christ s Sinlessness Christ s Deity Christ s Humanity Necessity of God s Grace Necessity of Faith Christ s Atoning Death Christ s Bodily Resurrection Christ s Bodily Ascension Christ s Intercession Christ s Second Coming Each doctrine is defined and addressed by answering two essential questions For example The Doctrine Christ s Atoning Death The penalty for sin is death not only physical death separation of the soul from the body but also spiritual death separation of ourselves from God The penalty we owe to God was paid by Christ through his death on the cross The acceptable payment had to be perfect complete and without fault Christ the perfect Man gave Himself in our place so that whoever believes in Him will not die physically and spiritually but have everlasting life John 3 16 Question One What Do I Actually Need to Believe Only Christ s sinless life sacrificial death and bodily resurrection can bring us to God Question Two What s at Stake Here The unique nature of Jesus work of salvation Reference Scriptures For even the Son of Man did not come to be served but to serve and to give his life as a ransom for many Mark 10 45 He himself bore our sins in his body on the tree so that we might die to sins and live for righteousness I Peter 2 24 For Christ died for sins once for all the righteous for the unrighteous to bring you to God I Peter 3 18 No one comes to the Father except through me John 14 6 What do other religions believe An easy to use chart shows how four other religi groups treat the 14 essentials A key indicates whether the group accepts redefines or denies each doctrine enabling the reader to understand the controversies regarding thesereligious sects Other religious groups include Latter Day Saints Mormonism Jehovah s Witnesses Watchtower Scientology Christian Science Essential Doctrines Made Easy also addresses belief in the inspiration of Scripture and the methods of interpretation which are important to faith although not a necessary factor in salvation Four ancient creeds of the early Church are summarized in the pamphlet giving an historical overview of what the Church deemed most essential These creeds include The Apostles Creed The Nicene Creed Athanasian Creed The Creed of Chalcedon A glossary of Chr

Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin, 2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his

thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

Foundations of Spiritual Formation Paul Pettit, This textbook for introductory spiritual formation courses presents the fundamentals and practices of the discipline This collection includes presentations by several well known evangelical scholars including Gordon Johnston Darrell Bock Richard Averbeck Klaus Issler and others

Anyone Can Be Saved David L. Allen, Eric Hankins, Adam Harwood, 2016-09-15 Anyone Can Be Saved articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation

A Multi-Intentioned View of the Extent of the Atonement Gary L. Shultz, 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

Evangelical Exodus Douglas Beaumont, 2016-01-06 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to

Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary's founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone

Encyclopedia of Fundamentalism: Volume 3 of Religion & Society Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others
