Learn to Play Hawaiian Slack Key Guitar Mark Kailana Nelson, Keola Beamer, 2011-03-04 Hawaiian slack key guitar Ki Ho alu is one of the world's great acoustic guitar traditions. This tradition includes virtuoso guitar pieces but the majority of songs played slack key are classic Hawaiian melodies either played as instrumentals or as accompaniment to vocals with instrumental breaks between the verses. The term slack key does not refer to a type of guitar but rather to any guitar played in the slack key style that is in alternate tunings with slacked strings and fingerstyle technique. Acknowledged slack key master Keola Beamer is a member of a family known for its musical artistry for generations. We are fortunate to have him writing in conjunction with veteran Mel Bay author, educator, and multi-instrumentalist Mark Nelson who simply followed his love of the music to the Islands. Written in standard notation and tablature to accommodate numerous alternate tunings, this book is presented in four sections: 1. The most common tuning introduced by fairly easy songs; 2. Illustrations of how to build your own arrangements; 3. A presentation of various slack key tunings; and 4. A selection of duets in the slack key style. Historical and cultural insights are offered throughout in the spirit of aloha, producing an informative, musically enlightening book with soul and humor. The companion CD features tuning tracks and informal introductions of the audio content by the authors, plus some beautiful slack key music.

Mastering Hawaiian Slack Key Guitar Mark Kailana Nelson, 2020-12-14 The Hawaiian word for slack key guitar, k h alu, means to loosen the key or retune some of the strings to create a harmonious sound with an open or alternate tuning. Slack key is a fingerpicking style characterized by strong alternating bass lines played with the thumb. While slack key can be played on any guitar, most players prefer a nylon or steel-stringed acoustic instrument. This book presents 25 intermediate to advanced traditional and original tunes in the Hawaiian slack key style. Melodies are often harmonized in sixths or thirds, played with or without double stops. Techniques like syncopated bass lines, hammer-ons, pull-offs, slides, and harmonics are tastefully employed to evoke the images of ocean breezes, swaying palms, hula dancers, and white sandy beaches. The author writes, "Unless you grew up playing slack key, it's hard to get from the material presented in most books and DVDs to a fluid play-it-your-own-way style." This book seeks to reveal the insights the author has gleaned from studying and jamming with some of the giants of the slack key style and help you develop a style all your own. Includes access to online audio tracks of all 25 relaxing but challenging Hawaiian slack key tunes.
