Slavery The State And Islam:

Slavery, the State, and Islam Mohammed Ennaji, 2013-04-22 Slavery the State and Islam looks at slavery as the foundation of power and the state in the Muslim world Closely examining major theological and literary Islamic texts it challenges traditional approaches to the subject Servitude was a foundation for the construction of the new state on the Arabian peninsula It constituted the essence of a relationship of authority as found in the Koran The dominant stereotypes and traditions of equality as promoted by Islam of its leniency toward slaves is questioned This original pioneering book overturns the mythical view of caliphal power in Islam It examines authority as it functions in the Arab world today and helps to explain the difficulty of attempting to instill freedom and democracy there *From Chattel Slavery to Modern Slavery* Stuart Casey-Maslen, Loren Persi Vicentic, 2025-04-30 Chattel slavery in which people were considered as objects to be bought sold and destroyed dates back to the dawn of civilisation This work documents the legal basis for slavery and its many abuses across the ages by some of the main enslavers The voices of the victims and those who observed their plight are given prominence as personal histories in each chapter Slavery in the modern era includes enslavement by the Nazi regime and most recently of the Yazidis in Iraq and Syria by Islamic State Slave like practices often termed modern slavery are also included in a chapter of this volume The book ends with consideration of whether reparations for historic slavery should be made **Islam and the Abolition of Slavery** William Clarence-Smith, 2020-02-19 In this important book Clarence Smith provides the first general survey of the Islamic debate on slavery Sweeping away entrenched myths he hopes to stimulate more research on this neglected topic He draws on examples from the abode of Islam from the Philippines to Senegal and from the Caucasus to South Africa paying particular attention to the period from the late eighteenth century to the present Once slavery had disappeared it was the Sufi mystics who did most to integrate former slaves socially and religiously avoiding the deep social divisions that have plagued the Western societies in the aftermath of abolition **The Islamic State and the Muslims of Trinidad and Tobago in the 21st Century** Daurius Figueira , 2021-04-11 This work analyses 1 the discursive terrain of the Muslim community Ummah of Trinidad and Tobago from the Jihad of the Jamaat al Muslimeen on July 27th 1990 to 2015 with emphasis on the evolution of militant Islam in this period 2 It deconstructs the discourse of the Islamic State constructed to motivate Muslims of the world especially of the West to migrate to undertake Hijrah to the Islamic State with emphasis on the discursive concepts of the Islamic Apocalypse the Malahim Hijrah and Jihad is War 3 It deconstructs the specific discourse of the Islamic State constituted for the Muslims of Trinidad and Tobago which reveals the importance of the Trinidad and Tobago contingent to the propaganda machinery of the Islamic State 4 It deconstructs the discourse of the survivors which reveals the complex motivational structure that drove Muslims of Trinidad and Tobago to journey to the Islamic State What is revealed is a power relation between the Muslims of Trinidad and Tobago who are a minority group of the population of Trinidad and Tobago the kufr State of Trinidad and Tobago and the discourse of the

Islamic State The reality that the Trinidad and Tobago contingent to Islamic State was the largest per capita amongst Muslims that undertook Hijrah to the Islamic State speaks volumes to the susceptibility of the Muslim community to the call of the Islamic State This work deconstructs the underlying reality that ensured the virulence of the discourse of the Islamic State in its impact on Muslims of Trinidad and Tobago *The Worst of Indignities: The Catholic Church on Slavery* Paul Kengor,2023-06-26 Many Americans think of slavery as their nation s original sin But in truth slavery has involved peoples and cultures and countries far beyond the United States Slavery is as old as human history itself And yet the one living institution that has condemned slavery longer and more consistently than any other is the Roman Catholic Church In *The Worst of Indignities The Catholic Church on Slavery* bestselling author Paul Kengor shines a light on The record and biblical roots of the Church s teaching on slavery The efforts of individuals and institutions within the Church to not only bring about freedom for enslaved people but to care for their physical and spiritual needs The stories of former slaves whose lives of exemplary holiness have placed them on the path of sainthood At a time when race relations are so bitter we need the clarifying truth to unite us all The story of the Roman Catholic Church s bold and divine opposition to slavery is one unknown to Catholics and non Catholics alike It is time for that story to be told **Islam and the Abolition of Slavery** William Clarence-Smith,2020-02-19 In this important book Clarence Smith provides the first general survey of the Islamic debate on slavery Sweeping away entrenched myths he hopes to stimulate more research on this neglected topic He draws on examples from the abode of Islam from the Philippines to Senegal and from the Caucasus to South Africa paying particular attention to the period from the late eighteenth century to the present Once slavery had disappeared it was the Sufi mystics who did most to integrate former slaves socially and religiously avoiding the deep social divisions that have plagued the Western societies in the aftermath of abolition **A History of Conversion to Islam in the United States, Volume 2** Patrick D.
