Slow Hand Women Writing Erotica

Joseph W. Slade

Slow Hand Women Writing Erotica:

Slow Hand Michele B. Slung, 1992 *Slow Hand Women Writing Erotica* is an anthology of stories in which women artfully explore their own erotic terrain To create this newest of her popular anthologies Michele Slung challenged women straight and gay old and young journalists poets academics women whose job descriptions range from anthropologist to performance artist as well as professional novelists and short story writers to turn her on And from across the United States Canada and Great Britain a variety of daring and talented women hearing that she was putting together a book to reflect their most intimate sexual selves enthusiastically responded Michele Slung has collected the best of these pieces in *Slow Hand* offering page after page of tantalizing sensual adventure for our reading and feeling pleasure But whether the stories stay as close to home as a familiar partner's embrace or whether they move into the darker recesses of extraordinary desires and even more extraordinary experiences the special quality shared by these tales is their ability to seduce us So while the mood of this collection is indeed slow in all the right ways it's certain that your pulse will quicken

At Home with Pornography Jane Juffer, 1998 Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully **Fever Slow Hand**, 1994 Pornography and Sexual Representation Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America *Words Matter* King-Kok Cheung, 2000-02-01 In this age of rapid transition Asian American studies and American studies in general are being reconfigured to reflect global migrations and the diverse populations of the United States Asian American literature in particular has embodied the crisis of identity that is at the heart of larger academic and political debates surrounding diversity and the inclusion and exclusion of immigrant and refugee groups These issues underlie the very principles on which literature culture and art are produced preserved taught and critiqued Words Matter is the first collection of interviews with 20th century Asian American writers The conversations that have been gathered here interviews with twenty writers possessing unique backgrounds perspectives thematic concerns and artistic priorities effectively dispel any easy categorizations of people of Asian descent These writers comment on their own work and speak frankly about aesthetics politics and the challenges they have encountered in pursuing a writing career They address among other issues the expectations attached to the label Asian American the burden of representation shouldered by ethnic artists and the different demands of mainstream and ethnic audiences Tales from the Erotic Edge Cecilia Tan, 1996 A Circlet Omnibus In 1992 Circlet Press began publishing erotic science fiction with thin chapbooks which soon became collectors items and are now out of print This omnibus collects together the complete text of the chapbooks including author s introductions and prefaces and presents them with a new introduction by Cecilia Tan which traces the development of the genre A must have for any enthusiast **Sexidemic** Lawrence R. Samuel, 2013-02-07 Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II For a people who supposedly love sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we ve had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans everyday lives for the last two thirds of a century Our love affair with sex has thus been a

rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation's continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We've fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives **Bibliotherapy** Beverly West, Nancy

Peske, 2008-12-10 Because women read books differently than guys do Every woman knows books are more than a way to kill time on the bus they're therapy that fits in our bag Whether we're wallowing in a sullen perennial adolescence or our biological clock is ringing and we can't find the snooze button books are the dog-eared friends that help us deal with our baggage as we navigate life's journey Now Bibliotherapy prescribes the best of classic and contemporary Chick Lit that women turn to again and again for inspiration A Tree Grows in Brooklyn for escape Ladder of Years for revenge against the patriarchy Our Blood and for bonding with our girlfriends Waiting to Exhale Upper thigh spread sparking a midlife crisis Read A Lady's Life in the Rocky Mountains and remember that it's not over until the fat lady yodels Did your pot of gold turn out to be fourteen karat tin Open your eyes with Awakening to the Sacred and learn to savor your rainbow Wondering what all the fuss is about Climb into bed with Lady Chatterley's Lover and explore your pleasure potential With provocative points to ponder as you read What is the metaphorical significance of a codpiece fun quotes and a list of books that must not be read but in Dorothy Parker's words thrown with great force Bibliotherapy ensures you'll always find the right literary prescription no matter what phase of life you're teetering on the brink of Plus Doomed but Inspired Heroes Books to Read When You're Sick of Your Career and Are Seriously Considering Taking Up Alpaca Ranching in Peru Bad Girls We'd Like to Have Over for Girls Night Books That Are the Equivalent of Citronella for Men and much more From the Trade Paperback edition
