

EFFECTIVE SUNDAY SCHOOL IN THE SMALL CHURCH

JANUARY 28, 2019

Small Church Sunday School

Jeffrey C. Farmer

Small Church Sunday School:

Effective Small Churches in the Twenty-First Century Carl S. Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation. In this revised edition, Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades. Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations. Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith.

The Strategically Small Church Brandon J. O'Brien, 2025-07-22 Small churches are the norm in America. 90 percent of churches see fewer than 200 weekly attendees. In this revised and expanded edition, Brandon O'Brien reveals how small churches aren't just surviving; they're thriving by leveraging their unique strengths. O'Brien explains that the smaller church is not a problem to solve or a liability to neutralize but a strategic advantage that can be leveraged for effective ministry in a variety of contexts. Smaller congregations offer powerful ministry opportunities in an era craving authentic community. In this transformative book, you will learn from real-world case studies of successful small churches making significant impact, unlock methods for higher lay involvement and commitment in smaller settings, discover why small churches encourage bridge building across age and lifestyle barriers, find help for implementing flexible strategies that larger churches struggle to adopt, explore how to meet the growing desire for services that are personal, local, and intimate. O'Brien shows how small churches can take full advantage of their size and analyzes how other churches can learn from their strategies. This new edition includes 20 percent new material and incorporates insights from O'Brien's thinking on local church ministry after nearly two decades serving pastors worldwide. It is perfect for church leaders, students, and ministry teams seeking to maximize their impact regardless of size and includes discussion questions for pastors. **Small Church, Excellent**

Ministry Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling. They are responsible for changing the world. Rather than look at the small number of members in their congregations as a limitation, pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God. *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches. This book will help you to conduct your ministry with excellence. Written by practitioners and professors, the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches. Shepherding the Small Church Glenn Daman, 2002 An indispensable source of advice and encouragement for the small church pastor, including how to formulate a mission while understanding the cultures of the community and the church. **Religious Education in the Small**

Membership Church Dr. Nancy T. Foltz, 2013-08-01 *RELIGIOUS EDUCATION IN THE SMALL MEMBERSHIP CHURCH* is a comprehensive resource aimed at making religious education more effective all along the line in small churches. From a living

ecology of solid theory and proven research this book develops exciting possibilities and helpful procedures to maximize religious education opportunities in small church settings Packaged with this volume is a huge wall chart summarizing highly important information on religious education in small membership churches **Preaching and Worship in the Small**

Church Will Willimon, Robert Wilson, 2001-02-22 There is much value in thinking small say William H Willimon and Robert L Wilson The importance of the small membership church is illuminated in this thoughtful and insightful assessment In Preaching and Worship in the Small Church authors Willimon and Wilson identify the problems facing small churches and offer well grounded advice for solving them The need for this is seen in the fact that from one half to two thirds of Protestant churches in the United States are small fewer than two hundred members These tightly knit little communities of faith focus mainly on the very basic and much overlooked fundamentals of Christian theology As the authors note It is in such family like churches that true worship renewal will occur long before their larger counterparts will taste of this fresh new wine This is an affirming book It affirms the role and basic values of the small church It affirms the centrality of Word and Sacrament It affirms the role of the pastor of the small congregation It affirms the laity and their values On this foundation of authentic affirmation can be built creative and inspiring ministries as the laity and the minister serve God together in and through the small church Help for the Small-church Pastor Steve R. Bierly, 1995 Churches with fewer than 150 people will always be

a bastion of Christianity despite today s megachurch emphasis Pastors dealing with the strengths problems and opportunities of smaller churches will value Bierly s timely guidance and encouragement Knowing what makes small churches tick helps their leaders invest time and energy wisely into the kind of growth that matters **Releasing the Power of the Smaller**

Church Shawn McMullen, 2007 Releasing the Power of the Smaller Church provides leaders and volunteers in smaller churches with practical principles and workable ideas for more than a dozen areas of ministry Each chapter addresses a felt need of smaller churches and is written by someone who has credibility with leaders and volunteers in smaller churches

Sunday School Teachers' Magazine, and Journal of Education ,1845 Energizing Children's Ministry in the Smaller Church Rick Chromey, 2008 Energizing Children's Ministry in the Smaller Church helps you with your smaller church children's ministry make a huge and mega impact Part of the ESCN product line
