Jan Baetens, Hugo Frey, Fabrice Leroy

Sleepwalk And Other Stories:

Sleepwalk Adrian Tomine, 2022-06-27 Collecting the first four issues of Adrian Tomine's acclaimed comic series *Optic Nerve* this book offers sixteen concise haunting tales of modern life The characters here appear to be well adjusted on the surface but Tomine takes us deeper into their lives subtly examining their struggle to connect with friends and lovers

Sleepwalk Adrian Tomine, 2004-06 Worth reading just for Tomine's eloquent restraint and literary leanings The Boston Phoenix

The Age of Infidelity and Other Stories Valerie Sayers, 2020-06-03 In the spirit of Muriel Spark and Walker Percy *The Age of Infidelity's* eleven stories embrace the comic the absurd and the dead serious Faithless parents betray their children the young betray the old and lovers betray each other but somehow these characters cling to hope Aging white cheerleaders shout through an online megaphone remembering a time when racial equality seemed almost possible a teenager endures her father's abandonment as her mother's psychotic episodes pick up pace an old couple on the lam from the Constitutional Guard of the future hides out in a garage reminiscent of our consumerist past In an age many call post religious these characters want to believe in something but they're not always sure what that something is Set in landscapes from the small town South to New York City from a parched Midwest to a deserted Dublin these stories time travel from our Jim Crow past to an imagined future of warehouses for the aged where robots do the nursing With what the Washington Post describes as her distinctive brutal elegance Valerie Sayers writes playfully powerfully and musically These stories form an album riffing on our age the Age of Infidelity

Sleepwalk, 2003-04 A Visit to Priapus and Other Stories Glenway Wescott, 2013-11-29 Just as E M Forster's novel of gay love *Maurice* remained unpublished throughout his lifetime Glenway Wescott's long story *A Visit to Priapus* was also destined to be a posthumous work buried from 1938 until this century in Wescott's massive archive of manuscripts journals notebooks and letters The autobiographical story is about a literary man frustrated in love who puts aside his pride and makes a date with a young artist in Maine Lavishly rendered in Wescott's elegant prose the tale is explicit where it needs to be but as is typical of Wescott it is filled with descriptive beauty and introspective lessons about sex and sexuality love and creativity Previously published in anthology form in the United Kingdom *A Visit to Priapus* is presented for the first time in book form in America containing previously uncollected stories including three never before published The result is a candid portrayal of the gifted but enigmatic writer who was famous in youth and remained a perceptive and compassionate voice throughout his long life Drawn together from midcentury literary journals and magazines of the 1920s and 1930s as well as from Wescott's papers the stories were inspired by his life from childhood to old age from Wisconsin farm country to New York London Germany and Paris Finalist Gay General Fiction Lambda Literary Awards

When Things Get Back to Normal and Other Stories Constance Pierce, 1986 In a tone at once comic gothic and deceptively pastoral the stories in this collection continue the tradition of Hawthorne Poe and James Americans pursuing a dialectic with Europe but in a late 20th century context Constance Pierce's characters with their

fetishes for food and property hide their eyes with daydreams hallucinations and enormous feats of rationale in their longing to return to the happy normal state they tell themselves they once enjoys but which likely never existed at all Subtly questioning their characters illusions and nostalgia these stories set in such territory as World War II Germany the French countryside and Long Island Sound address the often nebulous relationships between private and public life old and new ideas fantasy and reality

The Cambridge Companion to the American Graphic Novel Jan Baetens,Hugo Frey,Fabrice Leroy,2023-09-28 The Cambridge Companion to the American Graphic Novel explores the important role of the graphic novel in reflecting American society and in the shaping of the American imagination Using key examples this volume reviews the historical development of various subgenres within the graphic novel tradition and examines how graphic novelists have created multiple and different accounts of the American experience including that of African American Asian American Jewish Latinx and LGBTQ communities Reading the American graphic novel opens a debate on how major works have changed the idea of America from that once found in the quintessential action or superhero comics to show new different intimate accounts of historical change as well as social and individual personal experience It guides readers through the theoretical text image scholarship to explain the meaning of the complex borderlines between graphic novels comics newspaper strips caricature literature and art

The Graphic Novel Jan Baetens,Hugo Frey,2015 This book provides both students and scholars with a critical and historical introduction to the graphic novel Jan Baetens and Hugo Frey explore this exciting form of visual and literary communication showing readers how to situate and analyse graphic novels since their rise to prominence half a century ago Several key questions are addressed what is the graphic novel How do we read graphic novels as narrative forms Why is page design and publishing format so significant What theories are developing to explain the genre How is this form blurring the categories of high and popular literature Why are graphic novelists nostalgic for the old comics The authors address these and many other questions raised by the genre Through their analysis of the works of many well known graphic novelists including Bechdel Clowes Spiegelman and Ware Baetens and Frey offer significant insights for future teaching and research on the graphic novel

Sleepwalk with Me Mike Birbiglia,2012-08-21 Offers a humorous memoir about first love denial sleepwalking and the author s perils and pitfalls of being himself
