Texans Even the irascible red ant and the other critters in Sweet's column were Texas big and Texas fabulous In 1881 Sweet co founded Texas Siftings a humor magazine that moved from Austin to New York to become one of the most popular periodicals of its kind in the United States From Texas Siftings from Sweet's two published books one called by John Jenkins in Basic Texas Books the best volume of 19th century Texas humor and from many never before collected newspaper columns editor Virginia Eisenhour has assembled an Alex Sweet sampler that presents the very best of the timeless humorist's work The result Alex Sweet's Texas clearly demonstrates why the New York Journal pronounced Sweet second to no living writer in freshness originality sparkling wit and refined humor A century later that wit still sparkles and is guaranteed to delight Texans present as it once did Texans past

Sweet Texas Surrender Victoria Thompson, 1991-06-01 A Hired Gunslinger Romance 3 From Romantic Times Career Achievement Award Winner and New York Times bestseller Victoria Thompson a sensual tale of historical romance in the American Wild Wild West Ms Thompson imbues her characters with strength eloquence and dignity Romantic Times A Notorious Gunslinger Travis Colt Taylor isn't fooled by Sarah Hadley's glossy raven curls and sexy sashay the strong willed widow is certainly no damsel in distress and there's nothing shy about her The tempting beauty has hired him to keep no good rustlers from harming her sheep and Travis reckons he'll keep a close eye on his lady boss as well A Headstrong Lady Rancher Travis's low riding Stetson can't hide the unbridled desire Sarah plainly sees in his magnetic blue eyes She knows the rugged rider wants her but she'll never be roped into thinking she's his kind of woman Besides she's tired of trying to please folks and she's going to follow her mind no matter what But when Travis lassoes her against him she finds herself hungry for his lips aching for her own sweet Texas surrender

Come to Texas Barbara J. Rozek, 2003-07-22 Come to Texas urged countless advertisements newspaper articles and private letters in the late nineteenth century Expansive acres lay fallow ready to be turned to agricultural uses Entrepreneurial Texans knew that drawing immigrants to those lands meant greater prosperity for the state as a whole and for each little community in it They turned their hands to directing the stream of spatial mobility in American society to Texas They told the Texas story to whoever would read it In this book Barbara Rozek documents their efforts shedding light on the importance of their words in peopling the Lone Star State and on the optimism and hopes of the people who sought to draw others Rozek traces the efforts first of the state government until 1876 and then of private organizations agencies businesses and individuals to entice people to Texas The appeals in whatever form were to hope hope for lower infant mortality rates business and farming opportunities education marriage and they reflected the hopes of those writing Rozek states clearly that the number of words cannot be proven to be linked directly to the number of immigrants Texas experienced a population increase of 672 percent between 1860 and 1920 but she demonstrates that understanding the effort is itself important Using printed materials and private communications held in numerous archives as well as pictures of promotional materials she shows the energy and enthusiasm with which Texans promoted their native or adopted home as the perfect home for others Texas is indeed an

immigrant state perhaps by destiny certainly Rozek demonstrates by design Texas Humoresque Charles Leland
