**Maternal Abandonment and Queer Resistance in Twenty-First-Century Swedish Literature** Jenny Björklund, 2021-06-03 This book questions why so many mothers leave their families in twenty first century Swedish literature analyzing literary representations of maternal abandonment in relation to sociopolitical discourses The volume draws on a queer theoretical framework in order to highlight norm critical dimensions failure and resistance in literature about motherhood Jenny Björklund argues that novels about mothers who leave can be understood as ways to problematize and challenge Swedish branded values like gender equality and a progressive family politics that promotes ideals of involved parenthood the nuclear family and pronatalism The book also raises questions beyond the Swedish context about maternal ambivalence family politics and privilege and discusses how

literature can work as resistance and provide alternatives to the current social order      *Domestic Labor in Twenty-First Century Latin American Cinema* Elizabeth Osborne, Sofia Ruiz-Alfaro, 2020-01-02 This volume explores the character of the domestic worker in twenty first century Latin American cinema and analyzes how recent filmic representations of the housemaid question the marginalization of domestic servants in particular women by making them the center of their narratives their families and society The essays in this book posit the female domestic worker as an emergent subjectivity a complex character who problematizes and contests the hierarchical power structures within the family dynamics and new socioeconomic orders found in contemporary Latin America Readers will find a variety of representations across the continent as well as transnational commonalities of the cinematic figure and role of the housemaid including the negotiation of a multilayered politics of affection in the framework of prevalent paternalism and the complex and contradictory dynamic between private and public spaces where domestic paid labor occupies a central role in maintaining gender class and ethnic inequalities      *Everyday Joys in Twenty-First Century Queer American Painting* David Deutsch, 2023-08-11 Taken together the chapters in this book outline a theory and a practice of painting ecstatic ordinarienesses in contemporary diverse American queer life To do so it offers the first sustained study of five individually renowned twenty first century queer painters Gio Black Peter Doron Langberg Jonathan Lyndon Chase Salman Toor and Jo o Gabriel who have achieved substantial recognition from international museums galleries and critics working with short form reviews but not yet from academics producing large scale studies This study argues for a broad understanding of what constitutes the queer American art of our time and for a broad sense of who can help to fashion American culture and history including art by African American Southeast Asian Muslim and Jewish American South American and gender nonconforming queer artists The book will be of interest to scholars working in art history contemporary art gender studies and queer studies      **The Encyclopedia of New York City** Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second

edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Crisis and Body Politics in Twenty-First Century Cultural Production Charlotte Spear, Madeleine Sinclair, 2025-01-31 The twenty first century has been deemed the Age of Crisis We are witnessing the catastrophic unfolding of environmental crisis financial crisis pandemic and conflict But are we to understand these crises as new phenomena Is their seemingly simultaneous existence purely coincidental Or rather do they instead form part of a singular historically produced unfolding crisis which only today has reached a generalised consciousness And perhaps most urgently how far can we separate the crises of human experience from those exacted upon the land The chapters collected in Crisis and Body Politics in Twenty First Century Cultural Production Territorial Bodies deploy the framework of Territorial Bodies to address urgent social ecological and political challenges Examining themes such as inter national bodily governance racialised bodies eco feminist movements spatial justice and bodily displacement this collection provides a deeper analysis of the interconnected forms of violence perpetrated against marginalised human and non human bodies taking this combined violence as the defining feature of contemporary crisis

**The Routledge Hispanic Studies Companion to Twentieth and Twenty-First Century Spain** Eduardo Ledesma, Luisa Elena Delgado, 2025-03-11 The Routledge Hispanic Studies Companion to Twentieth and Twenty First Century Spain charts the key ideas practices and imaginings that characterize Spain s cultural historical social and political history in the contemporary period The volume brings together internationally acknowledged scholars from around the globe and from diverse disciplines from cinema and sociology to sociolinguistics politics and history as well as various other cultural studies approaches It offers an integrated multi disciplinary volume that provides a more complete and nuanced multi perspective assessment of modern and contemporary Spanish culture with a special emphasis on recent decades This interdisciplinary and thematically organized Companion includes essays on literature and art history politics religion economics linguistics and visual culture and covers an extensive period of time with a focus on key events The volume explores cutting edge areas and engages with current debates controversies and questions in the field of Hispanic studies Offering a nuanced multi disciplinary assessment of modern and contemporary Spanish culture through a dichotomic organizing principle The Routledge Hispanic Studies Companion to Twentieth and Twenty First Century Spain is an expansive resource which will be of interest to students and scholars of Hispanic studies and those with a particular interest in Spanish history politics and culture

*Other Animals in Twenty-First Century Fiction* Catherine Parry, 2017-07-19 This book is about ordinary animals and how they are imagined in twenty first century fiction Examining contemporary animal representations and the fraught and potent distinctions humans fashion between themselves and all other animals it asks how a range of novels make re make or un make traditional conceptions of the creatures we love admire eat vilify and abuse Other Animals detailed readings of horses an animalised human a donkey ants chickens and chimpanzees develop new

critical practices in Literary Animal Studies They explore the connections between fictional animal representation narrative form ethics and the lives and warm bodies of the real world creatures that precede and exceed our imagination Human animal relationships are conditioned by our imaginative shapings of other animals and by our sense of distinction from them and Other Animals opens out how fictional animal forms and tropes respond to participate in or challenge the ways animals lives are lived out in consequence of human imaginings of them The Noah Myth in Twenty-first-century Cli-fi Novels Helen E. Mundler, 2022 Breaks new ground by both analyzing the literary qualities of four recent rewritings of the Noah myth and contextualizing their concern with climate change within the wider crises of the Anthropocene With the rise of concern about global warming in recent years climate change fiction or cli fi has become increasingly important both as a publishing phenomenon and as an area of academic study and research Flood narratives have become a subsection of cli fi in their own right This book proposes new readings of four recent rewritings of the Noah myth Odds Against Tomorrow by Nathaniel Rich Margaret Atwood's Maddaddam trilogy When the Floods Came by Clare Morrall and The Flood by Maggie Gee Helen E Mundler's book takes into account the wealth of criticism that has appeared on these texts in recent years acknowledging important contributions from critics including Adam Trexler Adeline Johns Putra and Astrid Bracke However her book's strength is that it takes a new approach going beyond the topicality of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene y of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene y of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene
