Swords Ships And Sugar A History Of Nevis:

Swords, Ships & Sugar Vincent K. Hubbard,1996 This book discusses the history of the Caribbean island of Nevis The author writes in an anecdotal style and details Nevis role in the economy of the region including tales of piracy as well as more notable events such as Lord Nelson s wedding and the birth of Alexander Hamilton Swords Ships and Sugar Vincent K. Hubbard,2002-01-01 Swords, Ships, and Sugar Vincent K. Hubbard,1992-01-01 *Settler Society in the English Leeward Islands, 1670-1776* Natalie A. Zacek,2010-08-30 *Settler Society in the English Leeward Islands 1670 1776* is the first study of the history of the federated colony of the Leeward Islands Antigua Montserrat Nevis and St Kitts that covers all four islands in the period from their independence from Barbados in 1670 up to the outbreak of the American Revolution which reshaped the Caribbean Natalie A Zacek emphasizes the extent to which the planters of these islands attempted to establish recognizably English societies in tropical islands based on plantation agriculture and African slavery By examining conflicts relating to ethnicity and religion controversies regarding sex and social order and a series of virulent battles over the limits of local and imperial authority this book depicts these West Indian colonists as skilled improvisers who adapted to an unfamiliar environment and as individuals as committed as other American colonists to the norms and values of English society politics and culture

The Jewish World of Alexander Hamilton Andrew Porwancher,2023-05-09 In his hit musical *Hamilton* Lin Manuel Miranda paints Founding Father Alexander Hamilton as the ultimate outsider the bastard orphan son of a whore who by sheer grit and smarts achieves political greatness leaving a permanent mark on the American landscape as the architect of its financial system In this book Andrew Porwancher argues that the first Secretary of the Treasury and chief author of *The Federalist Papers* was even more of an outsider than previous biographers have noted Porwancher has uncovered evidence strongly suggesting that Hamilton was born and raised as a Jew at least until the age of 13 when his mother died The evidence is not definitive but it is compelling Porwancher s story begins in the 1750s in a colony in the Danish West Indies where Hamilton s mother Rachel Faucette married a merchant named Johann Michael Levine who sometimes went by the name of Lavien a Sephardic version of Levine Porwancher is convinced that Levine was Jewish and that Rachel born to a Christian family in the British Caribbean converted in order to marry him as was required by Danish law at the time Faucette s marriage with Levine was troubled leading her to flee to a nearby British Caribbean colony where she met the Scotsman James Hamilton who conceived with her the future Founding Father out of wedlock Assuming Faucette s conversion to Judaism before this birth Alexander Hamilton was thus born a Jew according to Jewish law What is more there is strong evidence that he was raised with a Jewish education as he attended a Jewish day school on the island colony of Nevis at least until the age of 13 the year of his mother s death It is noteworthy that he is not listed in the island s baptismal records although parish records from that era are fragmentary and thus cannot provide definitive conclusions At some point Hamilton began identifying as a Christian at least by the age of 17 when he arrived in New York

Although as an adult he wrote copiously on seemingly every topic under the sun he maintained a studied silence about his West Indian and most likely Jewish origins This is understandable for without the pretence of a Christian background it is unlikely that the young Hamilton could have advanced socially and professionally in the British colonies to the north And yet as Porwancher argues Hamilton's connections to Jews and Judaism continued throughout his life During a long professional life as a practicing lawyer and public figure he defended Jewish rights Notably he spoke out against antisemitism and ensured that a Jew be appointed to the board of his alma mater Columbia University the first Jew on the board of any American college And although a nominal Christian Hamilton kept institutional Christianity at arms length throughout his life There is no record of him mentioning the church or taking communion Porwancher does not overstate his claims nor does he try to simplify the fact that the lines between Jewish and non Jewish identity were frequently blurred in the Caribbean world that into which Hamilton was born What this book does in the words of the author is add the relevance of Judaism to our already rich understanding of Hamilton

Living at the Borderlines Cynthia Barrow-Giles, Don D. Marshall, 2003 The idea that the Caribbean could be devolving downward in wealth function and sovereignty has become a recurrent theme in both academic and popular literature By focusing on some of the current issues facing Caribbean nation states the editors and contributors to this volume hope to inform and contribute to the ongoing debate on the broad themes of Sovereignty and Development and the prospects for survival of Caribbean nation states in a globalised world While some of the papers seek to describe and analyse the range and complexity of the challenge to national sovereignty and public policy autonomy others focus on issues relating to small country size gender and ethnic tensions security constitutional reform and regional integration The result is a balanced perspective the contributors do not gloss over the problem faced by the region At the same time they do not present a hyper pessimistic picture of Caribbean development prospects What gives the collection a particular dynamism is the way in which the authors have challenged the terrain of political possibilities traditionally defined for small peripheral societies

Historical Archaeologies of the Caribbean Todd M. Ahlman, Gerald F. Schroedl, 2019-11-12 New perspectives on Caribbean historical archaeology that go beyond the colonial plantation Historical Archaeologies of the Caribbean Contextualizing Sites through Colonialism Capitalism and Globalism addresses issues in Caribbean history and historical archaeology such as freedom frontiers urbanism postemancipation life trade plantation life and new heritage This collection moves beyond plantation archaeology by expanding the knowledge of the diverse Caribbean experiences from the late seventeenth through the mid nineteenth centuries The essays in this volume are grounded in strong research programs and data analysis that incorporate humanistic narratives in their discussions of Amerindian freedmen plantation institutional military and urban sites Sites include a sample of the many different types found across the Caribbean from a variety of colonial contexts that are seldom reported in archaeological research yet constitute components essential to understanding the full range and depth of Caribbean history

Contributors examine urban contexts in Nevis and St John and explore the economic connections between Europeans and enslaved Africans in urban and plantation settings in St Eustatius The volume contains a pioneering study of frontier exchange with Amerindians in Dominica and a synthesis of ceramic exchange networks among enslaved Africans in the Leeward Islands Chapters on military forts in Nevis and St Kitts call attention to this often neglected aspect of the Caribbean colonial landscape Contributors also directly address culture heritage issues relating to community participation and interpretation On St Kitts the legacy of forced confinement of lepers ties into debates of current public health policy Plantation site studies from Antigua and Martinique are especially relevant because they detail comparisons of French and British patterns of African enslavement and provide insights into how each addressed the social and economic changes that occurred with emancipation Contributors Todd M Ahlman Douglas V Armstrong Samantha Rebovich Bardoe Paul Farnsworth Jeffrey R Ferguson R Grant Gilmore III Diana Gonz lez Tennant Edward Gonz lez Tennant Barbara J Heath Carter L Hudgins Kenneth G Kelly Eric Klingelhofer Roger H Leech Stephan Lenik Gerald F Schroedl Diane Wallman Christian Williamson

A History of Education in the British Leeward Islands, 1838-1945 Howard A. Fergus, 2003 This book examines the social and economic forces that have shaped and constrained the development of education in the British Leeward Islands following emancipation It critiques British colonial education and highlights several noteworthy achievements despite financial and ideological problems The dialectical nature of education in helping to shape as well be shaped by the culture becomes evident Dealing with four islands or island group Antigua Barbuda the British Virgin Islands Montserrat and St Kitts Nevis Anguilla this work offers insights into regional cooperation in education In addition to the primary and secondary levels of education Fergus considers teaching training technical vocational and adult education thereby broadening the interest and appeal of his work The Loyalist Conscience Chaim M. Rosenberg, 2018-08-23 Freedom of speech was restricted during the Revolutionary War In the great struggle for independence those who remained loyal to the British crown were persecuted with loss of employment eviction from their homes heavy taxation confiscation of property and imprisonment Loyalist Americans from all walks of life were branded as traitors and enemies of the people By the end of the war 80 000 had fled their homeland to face a dismal exile from which few would return outcasts of a new republic based on democratic values of liberty equality and justice
