Studies In The Gospel Of Mark:

Studies in the Gospel of Mark Martin Hengel, 2003-03-14 Here Professor Hengel argues with a wealth of documentation that the traditional views of the origin and tradition of the Gospel of Mark have far more to be said for them than has been usually allowed by modern New Testament scholars He argues that the tradition contained in the Gospel is that handed down by Peter through Mark and that the Gospel was written in Rome in AD 69 The famous note by Papias quoted in Eusebius Church History is not to be dismissed but has every appearance of being reliable Further evidence in support of this view can be found in a detailed consideration of the titles of the Gospels which must have been attached to the Gospels at a very early stage if only to identify them An appendix by the distinguished classical philologist Wolfgang Schadewaldt on The Reliability of the Synoptic Tradition is used to add further weight to the case With his customary learning Professor Hengel has produced a powerful argument which those who have held more radical views than his own will have to consider very carefully indeed if they are to continue to carry conviction *Community of the New Age* Howard Clark Kee, 1983 Character Studies and the Gospel of Mark Matthew Ryan Hauge, Christopher W. Skinner, 2014-12-18 This book explores different approaches to understanding Markan characters and characterization through methodological and exegetical studies of specific characters

T. Robertson, 2015-07-08 Excerpt from Studies in Mark's Gospel John Mark the author of the Second Gospel has absolutely nothing to say about himself in his Gospel unless there is a veiled reference in 14:51f where we have the elusive figure of a certain young man who had followed Jesus to Gethsemane and who fled leaving his loose nightgown when the officer arrested the Master This may be John Mark the son of Mary in whose house the disciples met at a later time Acts 12:12 If so it was at his mother's house that Jesus partook of the last Passover meal But Papias says that Mark was not a personal follower of Jesus I glimpse of Mark However we do get a good many glimpses of John Mark in the Acts and in Paul's Epistles By means of these we can form some idea of the young man who performed such a great work in the

writing of the Gospel that lies at the basis of both Matthew and Luke according to the almost unanimous opinion of modern scholars There is no critical position more generally recognized than that St Mark forms the groundwork of St Matthew and St Luke For every reason therefore modern Christians are interested in Mark About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
