Swat Chronicles Book 2 One Tough Cop:

One Tough Cop Dahlia Rose, Maxwell Kincaid had worked in the NYPD long enough that most things didn't surprise him anymore. The detective who preferred to work alone admitted to himself long ago that he was jaded. So when he was called out to a hostage situation at a women's shelter in the middle of the night, it was another job that kept him out of his warm bed. He heard the sobs behind the maniacal screaming of the hostage taker and the woman begging for help, pleading for the life of her unborn child that fell on deaf ears. This struck a chord in him, and Max was determined to save everyone, to save her. In the midst of the chaos after storming the house, Max delivered the baby of Nicole Henry. From the time he looked into Nicole's eyes and the face of the newborn, something shifted in his life. He wanted to show her that every man wasn't cruel and used their hands to abuse. Max was never one to believe in love at first sight, but the feeling hit him like a lightning bolt. Nicole and the baby needed tender loving care, and he was the man to give them the love they needed. [Video Source](#)

Tenley Cortez finally had everything going for her: a job that she enjoyed, her friends and family, and a man who treated her with love and respect. But when her toxic ex-boyfriend shows back up and decides he wants to rekindle their relationship to further his shady business dealings, things get a little dicey, not to mention dangerous. His violent and cruel heart forces her to distance herself, not only from the man she loves but her friends and family as well. She desperately wants to tell her story, but fear holds her silent. With her broken heart and constant fear, she throws herself into her work by traveling to Ecuador on a humanitarian aid trip. She was not expecting someone to be waiting there for her to further complicate her life. All that Rex Potter Richardson wanted to do was a simple life alone, outside of his career as a Navy SEAL. That was until a few months ago when the gorgeous and outgoing Tenley Cortez walked into his life and stole his heart. After a sudden and unexplained breakup, Potter is left with questions. The sudden distance Tenley puts between herself and her friends and family further adds to the mystery. When Potter and the team are called out for a mission to South America, he learns a shocking revelation about Tenley that threatens to unravel everything.
