

A photograph of a child in a red jacket and light-colored pants walking away from the camera down a long, straight, light-colored path. The path is flanked by green grass and some trees in the distance. The overall tone is somewhat somber or contemplative.

The Sweetness of Life Paulus Hochgatterer, 2011-12-22 It is Christmas in the alpine town of Furth am See and a six year old girl is playing ludo with her grandfather The doorbell rings and the old man goes to answer The next time the girl sees him he is lying with his skull broken his face a red pulp against the white snow From that time on she does not speak a single word Raffael Horn the psychiatrist engaged to treat the silent child reluctantly becomes involved in solving the murder along with Detective Superintendent Ludwig Kovacs Their parallel researches sweep through the town a young mother who believes her new born child is the devil a Benedictine monk who uses his iPod to drown the voices in his head a high spending teenager who tortures cats The psychological profile of this claustrophobic winter held town is not reassuring which if any of its inhabitants was the brutal night time slayer of the suffering girl s grandfather **Crime Fiction in**

Paulus Hochgatterer, 2020-07-23 This is a beautiful book a masterpiece of brevity and depth New European This tense novella builds to a final reckoning The Times In October 1944 a thirteen year old girl arrives in a tiny farming community in Lower Austria at some distance from the main theatre of war She remembers very little about how she got there it seems she has suffered trauma from bombardment One night a few months later a young emaciated Russian appears a deserter from forced labour in the east He has nothing with him but a canvas roll which he guards like a hawk Their burgeoning friendship is abruptly interrupted by the arrival of a group of Wehrmacht soldiers in retreat who commandeer the farm Paulus Hochgatterer's intensely atmospheric resonant novel is like a painting in itself a beautiful observation of small shifts from apathy in a community not directly affected by the war but exhausted by it nonetheless individual acts of moral bravery which to some extent have the power to change the course of history Longlisted for the Austrian Book Prize 2017 this subtle evocative novella will appeal to readers of Hubert Mingarelli's A MEAL IN WINTER and Jenny Erpenbeck's THE END OF DAYS Translated from the German by Jamie Bulloch Jamie Bulloch is the translator of novels by Timur Vermes Steven Uhly F C Delius Daniela Krien J rg Fauser Martin Suter Roland Schimmelpfennig and Oliver Bottini For his translation of Birgit Vanderbeke's The Mussel Feast he was the winner of the Schlegel Tieck Prize With the support of the Creative Europe Programme of the European Union

Portrait of the Mother as a Young Woman Friedrich Christian Delius, 2011-11-01

A literary masterpiece by one of Germany's most renowned contemporary writers Rome one January afternoon in 1943 A young German woman is on her way to listen to a Bach concert at the Lutheran church Innocent and naive the war is for her little more than a day dream until she realizes that her husband might never return This is a mesmerizing psychological portrait of the human need to safeguard innocence and integrity at any cost even at the risk of excluding reality Why Peirene chose to publish this book I was simply enthralled by the structure of this narrative a single 117 page long sentence with a

beautifully clear rhythm At the same time it s a compelling and credible description of a typical young German woman during the Nazi era If we can relate to her we come close to understanding the forces that were shaping an entire generation Meike Ziervogel A small masterpiece Helmut Schmitz Times Literary Supplement A formidable achievement by a German writer too little known here Delius understands the forces that shape Germany and has the gift to articulate joy beauty and love Rosie Goldsmith Independent A beautifully crafted work of superb psychological intensity Pam Norfolk Lancashire Evening Post The book s last paragraph overtly expressing nothing more than the young woman s intention to write a letter is one of the most moving conclusions I ve ever read Nicholas Lezard Guardian Delius s exploration of how indoctrination and denial work impresses with both the sympathy it creates for its bewildered protagonist and the musicality of its prose Adrian Turpin Financial Times The single 117 page sentence covering just an hour long walk contains multitudes Blake Morrison Guardian GUARDIAN BOOKS OF THE YEAR 2010 Contemporary German Crime Fiction Thomas W. Kniesche,2019-10-21 A companion to contemporary German crime fiction for English speaking audiences is overdue Starting with the earlier Swiss classics Glauser and D rrenmatt and including a number of important Austrian authors such as Wolf Haas and Heinrich Steinfest this volume will cover the essential writers genres and themes of crime fiction written in German Where necessary and appropriate crime fiction in media other than writing TV series movies will be included Contemporary social and political developments such as gender issues life in a multicultural society and the afterlife of German fascism today play a crucial role in much of recent German crime fiction A number of contributions to this volume will comment on the literary reflection of these issues in the texts The goal of the volume is to make available to English speaking audiences to students teachers and to a wider circle of interested readers a series of articles on genres topics authors and texts that will help them understand the scope and depth of German crime fiction its ties to international traditions and also the specificity of the German context its historical development and contemporary situation **Translation Review** ,2010 **Jewish Renaissance** ,2006
