Swinging In Paradise:

Swinging in Paradise John Gilmore,1988 For almost half a century more jazz was made in Montreal than anywhere else in Canada Here are the lives the music and the concerns of the musicians who made the city swing among them Myron Sutton Willy Girard Johnny Holmes Oscar Peterson Louis Metcalf Steep Wade Maury Kaye and Ren Thomas Here too is the story of Montreal after dark from the silent movies vaudeville theatres and dance pavilions to the nightclubs with names like the Montmartre the Chez Paree the St Michel and Paradise Who's Who of Jazz in Montreal is a companion to the widely acclaimed *Swinging in Paradise The Story of Jazz in Montreal* **Vhamps** J.W. Snootz,2015-04-01 They say our twenties is the time in our lives when we truly discover ourselves The problem is J has been an awkward twenty five year old for nearly a century and still hasn't figured it out yet When his 100th birthday rolls around J realizes that he has put so much of his life into denying his true nature that he has somehow forgotten to live it along the way So J sets out with renewed determination to finally be a part of the world he has so desperately been clinging to But when an attempt to be the hero and save the girl goes horribly awry the botched attempt to save Angie's life turns his world upside down plunging him his friends and the girl of his dreams into a world none of them knew existed A dangerous world full of ancient secrets temptation and blood Instead of answers all they find are more questions Will J figure out what it all means and who he really is in time to be the hero Could he finally get his wish for a normal human life or was the monster J had worked so hard to bury even closer to the surface than he ever thought possible Tappin' at the Apollo Cheryl M. Willis,2016-03-08 In the 1920s and 1930s Edwina Salt Evelyn and Jewel Pepper Welch learned to tap dance on street corners in New York and Philadelphia By the 1940s they were Black show business headliners playing Harlem's Apollo Theater with the likes of Count Basie Fats Waller and Earl Fatha Hines Their exuberant tap style usually performed by men earned them the respect of their male peers and the acclaim of audiences Based on extensive interviews with Salt and Pepper this book chronicles for the first time the lives and careers of two overlooked female performers who succeeded despite the racism sexism and homophobia of the Big Band era

Murder Of Lord Shaftesbury,the Michael Litchfield,2016-03-31 The scandalous debauchery of the playboy tenth Earl of Shaftesbury sent seismic shock waves through the British aristocracy One of the richest men in the country and master of a Downton Abbey style dynasty he abandoned his loyal wife and two sons for a depraved life of drunken orgies cocaine and bed hopping with Continental whores His riotous romp plumbed the depths when he divorced the mother of his children to marry a foreign prostitute installing her as the new grand Countess of Shaftesbury making her the female figurehead of an historic family revered for centuries for its probity and charity Incredibly he flirted with more prostitutes and set about divorcing his whore countess in order that another of his stable of swingers could acquire the ancient and noble title But ugly fate caught up with him first After being reported missing his skeletal remains were found several months later among household rubbish in what had once been a beauty spot just outside Cannes on the ritzy French Riviera The Countess and her

psychopath brother were convicted of the premeditated murder committed in a desperate attempt to retain the titled status and a lion's share of the inheritance before the Earl had changed his will Hollywood superstars and a reigning monarch were even cited at the trial But the full tawdry story has never been told until now People privy to the Earl's darkest secrets have been tracked down and for the first time have filled in the vital gaps that were never revealed at the trial or have ever been published before In this meticulously researched book the author has unearthed truths beyond the most warped imagination

Swinging In Paradise J.W. Snootz,2014-12-01 What do you get when you drop eleven sexy friends in the middle of the ocean on a pristine private beach with a seemingly endless supply of cocktails The Crew as they lovingly refer to themselves is about to find out The group has grown close over the years both in and out of the lifestyle After six months of drudgery since their last outing together they are more than ready for their next great sexual adventure The island of Beora West After the initial buzz wears off their curiosity gets the better of them and they set off to explore the island What they find is nothing short of baffling but there are some secrets even the untamed jungle around them can't hide When one of them disappears it becomes clear things are not what they seem Who is behind the hidden agenda that brought them all to Beora West What happened to their friend and what dangers lie beyond the barricaded north shores What the Crew finds is more than they bargained for but what they lose may be too much to endure *Such Melodious Racket* Mark Miller,1997 *Such Melodious Racket* traces for the first time the Introduction dissemination and early development of jazz in Canada Beginning in 1914 with the first appearance in Canada of the New Orleans ensemble the Creole Band and concluding with Oscar Peterson's celebrated Carnegie Hall debut in 1949 this book is based on extensive archival research as well as interviews with musicians now in seventies and eighties A must for all jazzophiles *Swinging in Place* Jocelyn Hazelwood Donlon,2001 An appreciation of the significance of the porch in everyday life in the US South It reveals that the porch is a stage for many social dramas and it uses literature folklore oral histories and photographs to show how southerners have used the porch to negotiate public and private boundaries **North of America** Asa McKercher,Michael D. Swing Island R. Bennett-Woods,2006-07 Swing Island Book I Power to Survive is about a new hero Orehon Retnu and his personal Power It s about the interconnection and interaction of everyone s power and how each person s power can change the world Orehon s story unfolds in the tree top forest of Teapottum a truly amazing place with seven hundred foot tall trees The trees have massive trunks and branches so tightly intertwined that if someone were to cut one down it wouldn t fall because neighboring trees would hold it up Although convoluted and at all times precarious the interconnecting network of branches makes natural walkways between the trees Orehon unlike almost everyone else much prefers bypassing the twisting pathways in favor of swinging on vines directly from tree to tree and there always seems to be a vine just right for getting Orehon where he wants to go Growing up as a nomadic hunter Orehon knows the ways of the forest but not the ways of adults and their politics Book I by Richard Bennett Woods introduces us to Orehon a boy who is plunged into a dangerous and confusing new world where he must find his personal power without losing his identity
