Swords And Hilt Weapons:

Swords and Hilt Weapons Michael D. Coe, 1989-01-01 **Swords and Hilt Weapons** Michael D. Coe, 1991 **Swords** Mike Sharpe, 2012 This compendium contains more than 150 images showcasing the finest recreations of key swords and hilt weapons from top manufacturers With its riveting history and compelling full colour images this is sure to fascinate enthusiasts of bladed weapons This book traces the innovations made in blade materials from the earliest stone to the coppers and bronze and iron of the Middle Ages to today's high carbon steel weapons Also available Archery Shotguns Rifles Handguns **Swords and Hilt Weapons** Victor Harris, 2006-02 This book provides a comprehensive guide to nearly 4000 years of sword making from around the world It gives an expert appraisal of the weapons and is rich in historical and background detail *Weapons and Warfare* John Powell, 2002 An international reference to the weapons tactics and strategies that have been used from earliest history to the present British Naval Swords and Swordsmanship Mark Barton, John McGrath, 2013-07-03 This new publication is intended to bring together a mass of research dealing with all aspects of British naval swords Unlike the much sought after *Swords of Sea Service* by May and Annis this work offers a far broader coverage and for the first time the complete story of swords and swordsmanship is presented in one concise volume While the swords themselves are described the authors also tell the story of naval swordsmanship For example subjects such as how swords and cutlasses were used in action and how training was conducted and covered The authors also address how the use of swords developed into a sport in the Navy and how swords and swordsmanship may have entered naval symbology in such areas as ships names Many current myths are addressed and corrected and the story is brought right up to date with information on the sport from 1948 to 2000 While the book concentrates on the Royal Navy foreign weapons including those of the Irish Naval Service are mentioned where appropriate Other British Maritime organisations such as the Merchant Navy the Customs and Coastguard Services and the Reserves are also addressed The book also covers subjects such as dating collecting and conservation of swords and re-examines those swords attributed to Nelson The Appendices include the first list of Swords of Peace awarded to naval units to be published Recent research by the authors is also reflected in the updated lists of Patriotic Fund Awards City of London Swords and Naval fencing champions contained in the Appendices The comprehensive nature of the work has not been attempted before and the book will appeal to a wide range of naval enthusiasts and historians collectors of weapons fencers and re-enactors *Weapons and Warfare* Spencer C. Tucker, 2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today *Weapons and Warfare* is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable

readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included **The Archaeology of Weapons** R. Ewart Oakeshott,1996-01-01 British authority on medieval weapons surveys European arms and armor from the Bronze Age to the time of triumph of gunpowder International Encyclopedia of Military History James C. Bradford,2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history **Bibliography of Art and Architecture in the Islamic World (2 vols.)** Susan Sinclair,2012-04-03 Following the tradition and style of the acclaimed Index Islamicus the editors have created this new Bibliography of Art and Architecture in the Islamic World The editors have surveyed and annotated a wide range of books and articles from collected volumes and journals published in all European languages except Turkish between 1906 and 2011 This comprehensive bibliography is an indispensable tool for everyone involved in the study of material culture in Muslim societies
