Symbol Pattern And Symmetry The Cultural Significance Of Structure Michael Hann:

Symbol, Pattern and Symmetry Michael Hann, 2013-11-21 *Symbol Pattern and Symmetry The Cultural Significance of Structure* investigates how pattern and symbol has functioned in visual arts exploring how connections and comparisons in geometrical pattern can be made across different cultures and how the significance of these designs has influenced craft throughout history The book features illustrative examples of symbol and pattern from a wide range of historical and cultural contexts from Byzantine Persian and Assyrian design to case studies of Japanese and Chinese patterns Looking at each culture s specific craft style Hann shows how the visual arts are underpinned with a strict geometric structure and argues that understanding these underlying structures enables us to classify and compare data from across cultures and historical periods Richly illustrated with both colour and black and white images and with clear original commentary the book enables students practitioners teachers and researchers to explore the historical and cultural significance of symbol and pattern in craft and design ultimately displaying how a geometrical dialogue in design can be established through history and culture

A Cultural History of Twin Beds Hilary Hinds, 2020-05-11 *A Cultural History of Twin Beds* challenges our most ingrained assumptions about intimacy sexuality domesticity and hygiene by tracing the rise and fall of twin beds as a popular sleeping arrangement for married couples between 1870 and 1970 Modern preconceptions of the twin bed revolve around their use by couples who have no desire to sleep in the same bed space Yet for the best part of a century twin beds were not only seen as acceptable but were championed as the sign of a modern and forward thinking couple But what lay behind this innovation And why did so many married couples ultimately abandon the twin bed In this book Hilary Hinds presents a fascinating insight into the combination of beliefs and practices that made twin beds an ideal sleeping solution Using nuanced close readings of marriage guidance and medical advice books furnishing catalogues novels films and newspapers this volume offers an accessible and rigorous account of the curious history of twin beds This is vital reading for those with an interest in cultural history sociology anthropology and psychology Art & Design Education in Times of Change Ruth

Mateus-Berr, Luise Reitstätter, 2017-05-08 It has always been the case that the teaching of art has had to deal with social changes We are currently facing historic challenges and phenomena which we could never have imagined the global financial crisis the massive migration flows and the ubiquitous spread of new technologies in our everyday life Creative competence is needed for overcoming the disciplinary boundaries and in order to make equal opportunities for education possible in a diverse society This publication takes a critical look at the role of art and design education amidst these social changes using theoretical reflection practical experience and empirical analysis **Wiskunst** Dirk Huylebrouck, 2016-10-21 De geometrische fout van het Atomium Een omgekeerde 400 meter Een Fibonacci beeld in De Panne Deze onderwerpen komen misschien bekend voor maar in dit boek staan de chte verhalen uit eerste hand en unplugged De wiskunde verruimt er zich van zuiver wiskundige onderwerpen over een hoofd dat verdween in de Antwerpse Carnotstraat of de wiskundige grens van
